Dear All,

Greetings from President, Indian Pharmacological Society!

The EC would like to Congratulate all those who have submitted their nominations for various positions in IPS. It may be important to mention here that in last five years, the activities of IPS have been streamlined. The credit goes to every member of the Society. It's a pleasure to mention that Executive Committee has taken a bold decision to have the 'Young Pharmacologist Forum'. The main intention of starting this forum is to develop Young Dynamic leaders and keep the functional continuity of the organization. In addition the EC has also revived the Editorial Board of IJP keeping in view the policy recommendations and future to promote the Journal activity vigorously. The relationship between IUPHAR and IPS linking to INSA-ICSU programs has become very strong and we are going to have the long alliances which will facilitate Pharmacologist to access Drug Discovery activities and conduct skype interview with International Scientists.

On behalf of EC, I request for large participation of the Members of EC and member of 'Young Pharmacologist Forum' to be held on 20th October, 2016 at 4.00pm at PGIMER, Chandigarh.

Hope to meet you soon

Yours sincerely
