1.1 Vision

To prepare students with an integrated and technology oriented education for a better career and to be worthy citizens of the global society.

1.2 Mission

To develop better than the best professionals for the economic development of the country.

1.3 Introduction

The Examination Section of the Maharishi Markandeshwar (Deemed to be University), Mullana is governed by the **“Rules for Examinations”** approved by various statutory authorities of this Deemed to be University as mentioned in MM(DU) Calendar, Vol. -1.

The Examination Section of the MM (DU) works in a transparent manner while maintaining high security of the critical check points and adhering to the timelines notified by the MM(DU). The Examination Section works in close coordination with various Institutions/Departments and other sections, external organizations and individual students of the MM(DU) and its Institutions while complying with the instructions/guidelines of various regulating bodies of the Government. Inter-alia, the Examination Section carries out its various activities under the supervision of Controller of Examinations with overall control of the Vice- Chancellor.

1.4 Temporal Plans of Academic Work

- The programmes under Engineering & Technology, Management, Hotel Management, Computer Applications, Law, Pharmacy, Agriculture and other traditional courses are conducted under Semester System for which Credit Based Evaluation System is followed.
- The programmes under Medical and Dental streams with M.Sc Medical and M.Sc Nursing as also Phram D course are carried out under the annual system as per requirement of the respective Regulatory Council.

- The Programmes under Physiotherapy stream and B.Sc courses in Para Medical stream are conducted under semester system instead of annual system w.e.f the session 2020-21.
- The B.Sc Nursing course was changed from annual system to semester system w.e.f the session 2021-22 as per direction of the Indian Nursing Council.

2.1 Examination Schedule:

Before the start of the session, the Dean (Academics) notifies the Academic Calendar with the approval of the competent authority, following which the Examination Section issues a detailed examination schedule with the approval of the Vice- Chancellor and examinations of various courses are got conducted accordingly.

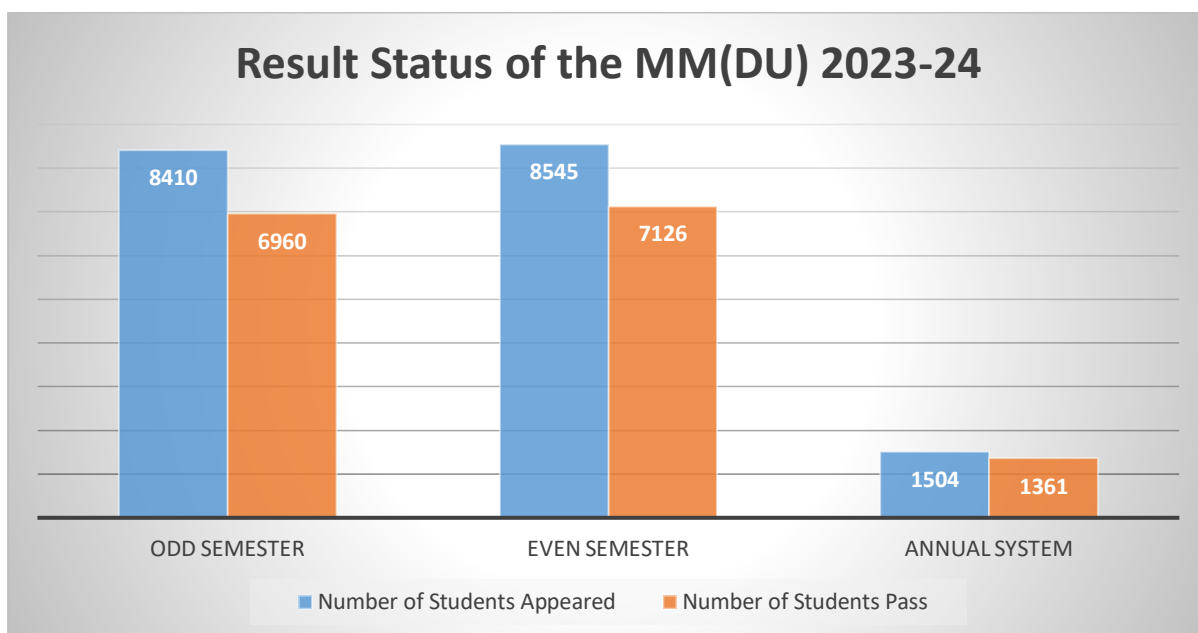

2.2 Appointment of Papersetters/ Examiners:

Papersetters/Examiners are appointed by the Vice- Chancellor out of the panel of Papersetters/Examiners drawn by the respective Board of Studies with Faculty of the Department and External Experts from other Universities as its members and question papers are got printed from the confidential printer based at long distant locations.

2.3 Result Status:

Result Section is responsible for the timely declaration of results of examinations of various courses of the MM (DU). After evaluation of the answer books of the examinations, the results of the different courses are computerized and declared after proper scrutiny. While some of the results are declared within a couple of days or so from the examination of last paper of the respective course, the result of the remaining courses are declared within 15 days after the termination of respective examination. The details of result of all the programmes for the session 2023-24 are presented below:

Semester/Annual System	Number of Students Appeared	Number of Students Passed	Pass Percentage of Result
Odd Semester	8410	6960	82.76
Even Semester	8545	7126	83.39
Annual	1504	1361	90.49

2.4 Disciplinewise Result Status for the Session 2023-24:

1. Engineering:

Semester/Annual System	Number of Students Appeared	Number of Students Passed	Pass Percentage of Result
Odd Semester	1770	1479	83.56
Even Semester	1777	1533	86.27

2. Sciences:

Semester/Annual System	Number of Students Appeared	Number of Students Passed	Pass Percentage of Result
Odd Semester	411	382	92.94
Even Semester	409	369	90.22

3. Law:

Semester/Annual System	Number of Students Appeared	Number of Students Passed	Pass Percentage of Result
Odd Semester	629	456	72.5
Even Semester	649	524	80.74

4. Computer Application:

Semester/Annual System	Number of Students Appeared	Number of Students Passed	Pass Percentage of Result
Odd Semester	1199	965	80.48
Even Semester	1236	1044	84.47

Semester/Annual System	Number of Students Appeared	Number of Students Passed	Pass Percentage of Result
Odd Semester	392	300	76.53
Even Semester	367	288	78.47

7. Pharmacy:

Semester/Annual System	Number of Students Appeared	Number of Students Passed	Pass Percentage of Result
Odd Semester	451	373	82.71
Even Semester	447	374	83.67
Annual	174	157	90.23

8. Physiotherapy:

Semester/Annual System	Number of Students Appeared	Number of Students Passed	Pass Percentage of Result
Odd Semester	440	321	72.96
Even Semester	471	329	69.85

9. Nursing:

Semester/Annual System	Number of Students Appeared	Number of Students Passed	Pass Percentage of Result
Odd Semester	431	398	92.34
Even Semester	453	421	92.94
Annual	199	184	92.46

10. Dental:

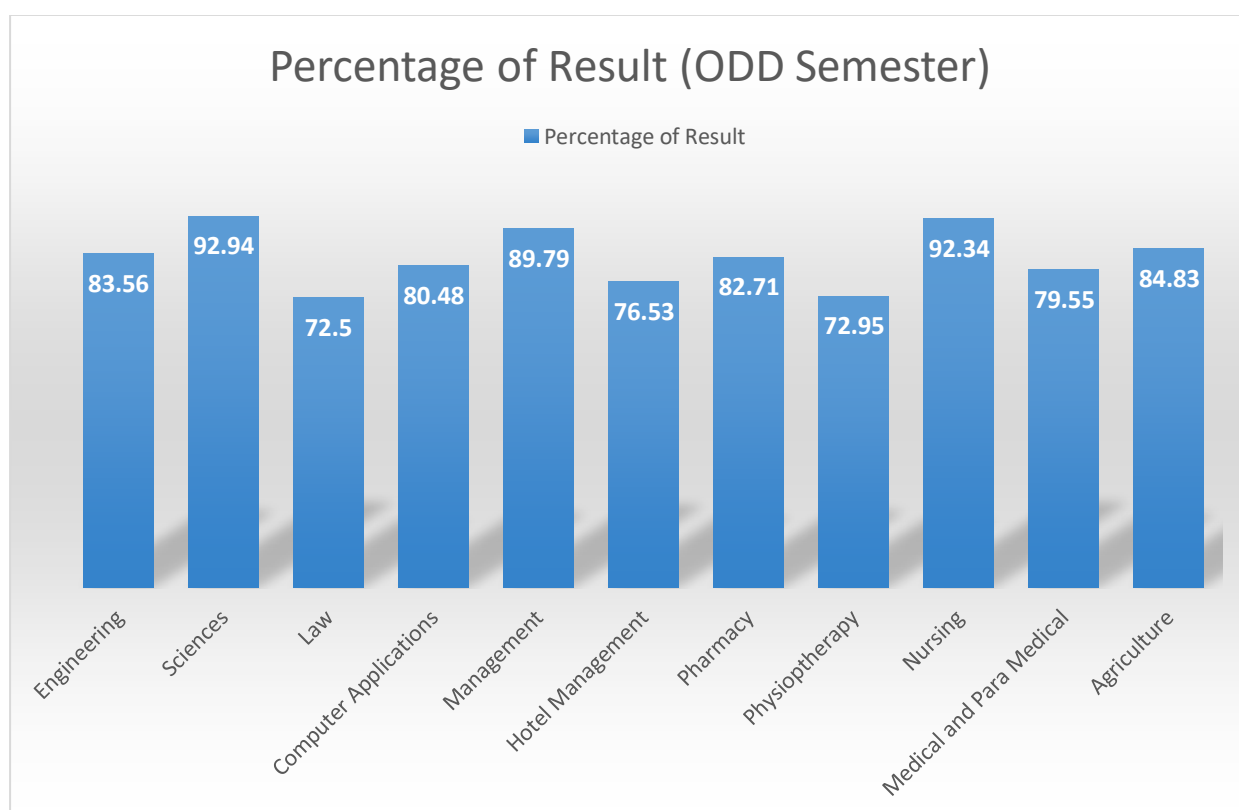

Semester/Annual System	Number of Students Appeared	Number of Students Passed	Pass Percentage of Result
Annual	309	272	88.03

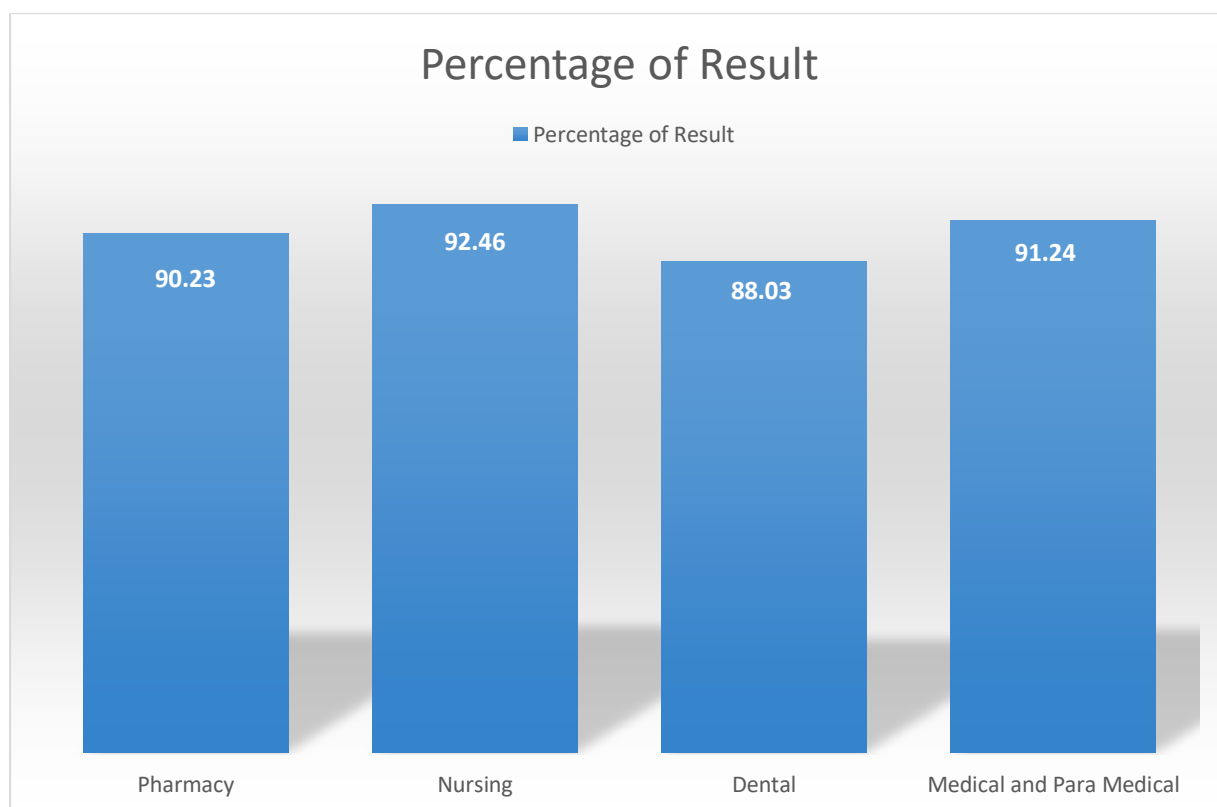

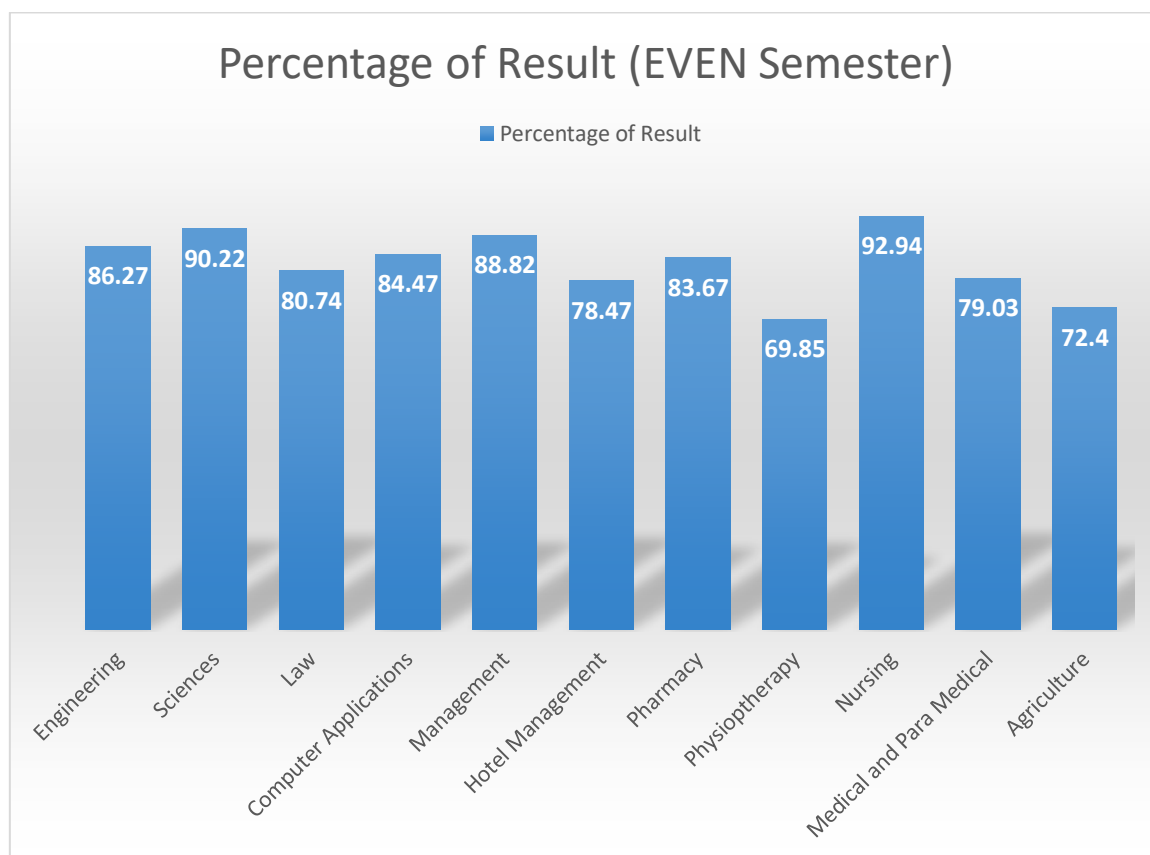

11. Medical and Para Medical:

Semester/Annual System	Number of Students Appeared	Number of Students Passed	Pass Percentage of Result
ODD Semester	978	778	79.55
Even Semester	1035	818	79.03
Annual	822	750	91.24

12. Agriculture:

Semester/Annual System	Number of Students Appeared	Number of Students Passed	Pass Percentage of Result
Odd Semester	534	453	84.83
Even Semester	529	383	72.40

3.1 Grievance Resolution Mechanism:

Re-evaluation Branch is responsible for considering the grievances of the students and gives opportunity to them for the following:

- **Re-Checking:** Permitted for all programmes of the MM(DU).
- **Re-totalling:** Permitted for all programmes of the MM(DU).
- **Identification of Answer Books:** Permitted for all programmes of the MM(DU).
- **Re-evaluation:** Permitted in all programmes of the MM(DU) except in the case of such courses of the streams where Answer Books of any examination of each paper are evaluated by two examiners.

Total cases of Re- evaluation/re- checking of Answer Books received during the session 2023-24	371
---	------------

3.2 Committees:

The following committees are constituted to deal with the grievances of the students regarding examination:

3.2.1 Unfair Means Committee: The Unfair Means Committee which deals with the cases of unfair means used by the students during the examination as reported by the invigilators or the flying squads is constituted by the Examination Section of the MM(DU) every year as under:

Name of the Committees	Chairperson	Members
Unfair Means Committee	Dr. Rahul Dev Gupta, Professor, Mechanical Engineering Department, MMEC	1. Dr. Aayush Malhotra, Professor, Oral & Maxillofacial Surgery, MM Collage of Dental Sciences 2. Dr. Neera Batra, Professor, CSE Department, MMEC

3.2.2 Appellate Committee: In case any student is dissatisfied with the decision of the Unfair Means Committee, he/she can submit an appeal to the Vice- Chancellor who may refer the case to the Appellate Committee for reconsideration as under:

Name of the Committees	Chairperson	Members
Appellate Committee	Dr. Jyoti Sareen, Dean Faculty of Nursing	1. Dr. Rashmi Garg, Professor MM Institute of Management 2. Dr. Akash Jain, Professor, MM Collage of Pharmacy

3.2.3 Complaint Committee: This Complaint Committee is constituted for each of the Departments/Institutions which considers the cases of the complaints against the question papers submitted by the students through their Director/Head of the Institute/Department concerned. The present constitution of such committee is as under:

Name of the Committees	Chairperson	Members
Complaint Committee	Controller of Examinations	1. Head, of the Concerned Department/ Institution 2. Subject Teacher

3.3 Detail of Cases Received by Unfair Means Committee During the Session 2023-24:

	Odd Semester	Even Semester	Annual System	Total
Number of Cases received	32	54	6	92

3.4 Detail of Complaints Received Regarding Question Papers During the Session 2023-24:

Total No. of Cases Received	No. of Courses in which Grace Marks were allowed	No. of Cases in which Re-examination was allowed	Filed being not Justified
19	12	02	05

4. Evaluation of Ph.D. Thesis:

- Continuous evaluation of research work is done in the form of one semester Course Work on Research Methodologies, Quantitative Methods, Computer Applications etc., monitoring of six monthly progress report, fulfilling the requirement of publishing Research Papers in reputed indexed Journals and Pre-submission Seminar, strictly as per UGC Regulations.
- The MM(DU) follows the UGC Regulations for Ph.D. After completion of Four years, yearly extension is allowed for 2 years. An additional extension of 2 years can also be given through a process of re-registration. In the case of Women candidates and person with disability (having more than 40% disability) two years extra time is allowed as per UGC directions.
- Permanent faculty members working as Professor/ Associate Professor/ Assistant Professor having Ph.D degree can be appointed as a Research Supervisor and can guide upto eight (8)/ Six (6)/ four (4) Ph.D scholars respectively, at any given time.
- The Research Advisory Committee (RAC) review the research proposal submitted by the scholar and finalize the topic of research as also assign the Supervisor.
- Ph. D. Thesis are got evaluated from two External Examiners appointed by the Vice-Chancellor from a panel of Examiners recommended by the respective Board of Studies usually selecting at least one Examiner from out of the country. Usually the Board of Studies identifies a Panel of Examiners with five Examiners from within the country and five from other countries. In case one of the external examiner recommends rejection, the thesis is sent to the third external examiner appointed by the Vice-Chancellor out the above mentioned panel.
- The viva-voce is conducted if two examiners recommends the acceptance of the thesis and the Research Degree Committee takes the final decision based upon the report of the examiners who conducted the Viva- Voce.
- The thesis of the successful scholars are uploaded on Inflibnet portal (Shodhganga).

Details of PhD Awarded During 2023-24:

5. Automation:

The Examination Section is fully automated, encompassing online filling of examination forms by students, online fee payment, uploading the Scheme of Examinations on the portal, online submission of internal marks for continuous evaluation, result processing, generation of detailed marks cards (DMCs). Various other functions are also carried out through automation.

This software has been developed in-house by the faculty and other staff of MM(DU). Additionally, it enables the administration to conduct online examinations with the entrance tests for various courses offered by MM(DU).

The online system has the following features:

1. Student examination form filling through student login
7. Student Marks Filling
8. Result Processing

6. Reforms

Uploading DMCs and Degrees on NAD portal: The Examination Section of the MM(DU) is regularly uploading the Degrees/DMCs on the Digilocker platform and approximately 11000 documents have since been uploaded till June 2024.

Academic Bank of Credit: The “Academic Bank of Credits” (ABC) is an educational digital platform created to facilitate students’ mobility between or within degree-granting Higher Education Institutions (HEIs) through a formal system of credit transfers.

Maharishi Markandeshwar (Deemed to be University), Mullana has already got itself registered at the portal www.abc.gov.in with application No. ABC0047001647407574 on 16th March, 2022.

Approximately 10495 students of MM(DU) have created their accounts on ABC portal.

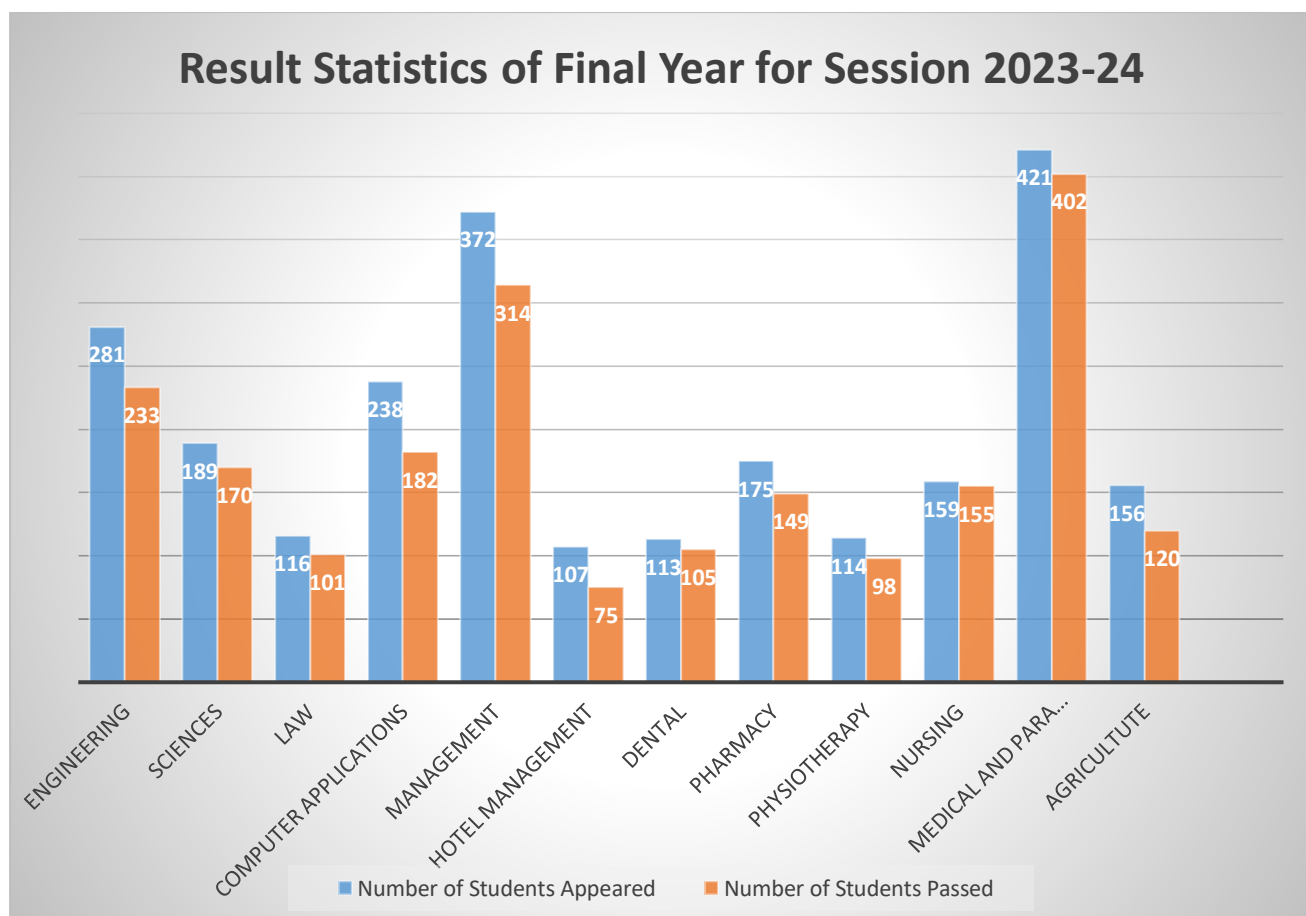

Continuous Evaluation being Conducted at Departmental Level: For all programs, the mid-term tests are also being conducted on the pattern of end-term examination by preparing the date sheet and setting up of examination centres. The evaluated sheets are shown to students for their satisfaction.

Online Examination System: The Examination Section is fully automated and it facilitates the students to fill their examination forms, deposit of fee, generation of admit cards, date sheet and result declaration in online mode.

Technology Adoption: Apart from automation adopted by the MM(DU) in the Examination System, CCTV have been installed in the examination hall of the MM(DU) where most of the examinations are conducted during whole of the year.

7. Result Statistics of Final Year for the Session 2023-24:

Programme	Number of Students Appeared	Number of Students Passed	Pass Percentage of Result
Engineering	281	233	82.92
Sciences	189	170	89.95
Law	116	101	87.07
Computer Applications	238	182	76.47
Management	372	314	84.41
Hotel Management	107	75	70.09
Dental	113	105	92.92
Pharmacy	175	149	85.14
Physiotherapy	114	98	85.97
Nursing	159	155	97.48
Medical and Para Medical	421	402	95.49
Agriculture	156	120	76.92

8. Incremental Performance in Pass Percentage of Final Year Students During the Last 5 Years:

Year	No. of Students Appeared	No. of Students Passed	Pass Percentage of Result
2019-20	2170	2023	93.22
2020-21	2244	2127	94.79
2021-22	2438	2276	93.36
2022-23	2622	2338	89.17
2023-24	2441	2104	86.19
