Dr. B. K. Agarwal is Principal and Dean Academic, Department of Medicine at M. M. Institute of Medical Sciences and Research, Mullana, Ambala, Haryana (India) (herein after referred to as the "Investigator")

The "Sponsor", "Institution" and "Investigator" henceforth referred to individually as "Party" and collectively as "Parties".

PREAMBLE

WHEREAS, Sponsor wishes to perform An Observational, Multicentre, Prospective, Post Marketing Surveillance study (P.M.S) to evaluate safety and efficacy of ELORES™ (Ceftriaxone + Sulbactam + Disodium Edetate) in patients with various bacterial infections (Labelled indications).

AND WHEREAS, the Investigator has reviewed the Protocol and desires to participate in the Study and assures that it has the necessary personnel, infrastructure and technical means to perform the Study.

AND WHEREAS, Institution is equipped to undertake the Study and Institution and Investigator have agreed to perform the Study on the terms and conditions hereinafter set forth.

Page 2 of 11

NOW, THEREFORE, The Parties agreed to set out in this Agreement the terms and conditions governing their collaboration with respect to the performance of the Study.

1. **Definition**

"Affiliates" shall mean, any corporation, partnership or other entity controlled by controlling or under common control with the Sponsor, with "Control" meaning the direct or indirect ownership of more than 50% of the capital stock or the voting rights in such corporation, partnership or other entity or the power to direct or cause the direction of the management or policies of such corporation, partnership or other entity through the ownership of securities or interests, by contract or otherwise.

2. **OBLIGATIONS OF INVESTIGATOR**

2.1 **Conduct of the Study:**

The Study shall be performed in compliance with (i) this Agreement (ii) the Protocol, (iii) all applicable laws, regulations and directives, (iv) generally accepted practices relating to non-interventional studies and to investigators conducting such studies, and (v) Indian GCP guidelines, procedures and any reasonable instructions provided by Sponsor Investigator shall comply with all the provisions of the Protocol, as may be amended from time to time during the Term.

2.2 **Investigator and Study Site:**

The Study will be carried out by the Investigator at "**M. M. Institute of Medical sciences and Research, Mullana, Ambala, Haryana, India**" (the "Study Site"). The Investigator shall obtain and maintain, during the Term, all necessary authorizations for the performance of the Study at the Study Site, under due observance and compliance with all applicable laws.

2.3 **Recruitment of Patients:**

The Investigator shall be responsible for the recruitment of patients for the Study. The Investigator shall inform Patients in a language that could be understood by the Patients (i) the purpose of the Study; (ii) Patients personal data will be used for the Study; and (iii) any other relevant aspect of the

Study. The Investigator shall obtain IEC/IRB (Institutional Ethics Committee/ Institutional Review Board) approved consent form each Patient, or their respective legal representative, before the Patient's participation in the Study, using the data release consent form provided by Sponsor. Investigator shall ensure Patient's consent is given without any undue influence or coercion from any person involved in the Study.

2.4 Data collection:

The Investigator shall use the Case Record Form (the "CRF") provided by Sponsor for the data collection and will ensure that the contents of the CRF are accurate and precise, with reference to source document.

If Sponsor requests Investigator to submit electronic CRF, Sponsor will provide Investigator with a computer and internet connection to be used solely for the completion and submission of the electronic CRF, and the necessary training. The Investigator shall take all reasonable precautions to avoid any damage or loss of Sponsor's computer, which will be returned to Sponsor promptly upon completion of the Study. The Investigator shall (i) report on the progress of the Study on such regular basis as requested by Sponsor; (ii) promptly submit the completed CRF to the Sponsor; and (iii) respond promptly to any query from the Sponsor on any CRF.

2.5 Pharmacovigilance:

The Investigator shall comply with all pharmacovigilance reporting requirements applicable to the Study in accordance with all applicable laws and regulations and Sponsor's procedures on pharmacovigilance reporting communicated by Sponsor to Investigator before or after the Effective Date, as may be amended from time to time during the Term of this agreement.

2.6 Declaration to relevant authorities:

The Investigator shall be responsible for the declaration(s) to all relevant authorities (including without limitation any medical association or health authority) required under applicable laws and regulations in relation to the payments received by the Investigator under this Agreement.

2.7 Legal standing:

Handwritten signature and initials in black ink, located at the bottom right of the page. The signature appears to be 'H. Green' and there are some initials to its right.

The Investigator represents and warrants that (i) he/she has the legal right, authority and power to enter into and discharge his/her obligations under this Agreement and that (ii) he/she is not (and will ensure that any Sub-Investigator is not), disqualified or debarred from participating in the Study by any regulatory authority or under investigation that will lead to such consequence, and or otherwise prohibited or restricted in any way under any contractual obligation, and is fully and will remain fully authorized, qualified and free to perform the Study during the Term.

3. OBLIGATIONS OF SPONSOR

3.1 Items supplied:

Sponsor shall provide the Investigator with all necessary information, documents and materials as it deems necessary for the performance of the Study.

3.2 Financial compensation/Consideration:

In accordance with the terms of this Agreement, Sponsor shall pay any financial compensation except free Investigational drug ELORES™ (IP) as set forth in the Terms and Conditions attached in *Appendix I*.

3.3 Indemnity: The Sponsor hereby indemnifies the Investigator, the staff members of Institution, the Institution and and its directors, employees and agents, from and against any loss, claim, damage, liability, cost (including reasonable attorney fees) or demand (collectively, "Claims") arisen or resulting from or sustained as a result of the administration of the Study at the Institution in accordance with the Protocol.

3.4 The Investigator/Institution covenants and agrees to indemnify, defend and hold harmless SPONSOR from and against any loss, damage, costs, expenses, claims and demands suffered by SPONSOR or as a result of any third Party claims due to or arising out of the negligence, malpractice or improper acts or omissions of the Investigator/Institution or non-compliance with the conduct of the Trial in accordance with the Protocol or the instructions of SPONSOR or applicable laws, regulations or rules for the time being in force.

A handwritten signature in black ink, appearing to read 'Hager', is written over the page number. The signature is stylized and includes a long horizontal stroke extending to the right.

4. OWNERSHIP AND USE OF DATA, RESULTS AND DOCUMENTS

- 4.1** All intellectual property rights owned by Sponsor and/or its Affiliates related to the Product and/or to any information provided by Sponsor and/or its Affiliates to Investigator for the purpose of this Agreement is the exclusive property of Sponsor and/or its Affiliates.
- 4.2** Nothing in this Agreement shall be construed as granting to the Investigator and/or any Sub-Investigator, any right, interest or licence to use any of such intellectual property rights, including with respect to any developments, improvements or variations thereof.
- 4.3** All the results, data, materials, documents, discoveries and inventions which arise directly or indirectly from the Study in any form, shall be the immediate, full and exclusive property of the Sponsor and or its Affiliates. For this purpose, Investigator presently assigns, and undertakes to procure the assignment by any Sub-Investigator to the Sponsor and or its Affiliates (or its assignees) any and all intellectual property rights (including all patents, copyrights, databases and any application or right to apply for registration of any of those rights) which may arise directly or indirectly from the Study and all materials created in relation to the Study. Institution acknowledges that the compensation for any such assignment is included in the Financial Compensation paid by Sponsor under this Agreement.

5. CONFIDENTIALITY, RESTRICTED USE AND PUBLICATION

- 5.1 Confidentiality and Restricted Use:** The Institution and Investigator (including any Sub-Investigator) agrees that during the term and for a further period of five (5) years thereafter, they shall, hold and maintain in strict confidence all proprietary and confidential information of Sponsor, including without limitation financial, scientific, corporate, industrial, product and business information disclosed by Sponsor and or its Affiliates and any and all results, information, data and documents generated, produced or obtained in relation to this Agreement) (the "Confidential Information") and not use the Confidential Information for any purpose other than the performance of this Agreement. However, no provision of this Agreement shall be construed so as to preclude use or disclosure of information:

Handwritten signature and initials in black ink, located at the bottom right of the page. The signature appears to be 'H. Green' and there are some initials to the right.

- a) which was already known to the Investigator before Sponsor's disclosure, as evidenced by his/her written records;
- b) which is disclosed in good faith to the Investigator after the Effective Date by a third party lawfully in possession of such information and not under an obligation of nondisclosure or restricted use towards the Sponsor;
- c) which is or becomes public knowledge through no fault of the Investigator;
- d) which is disclosed by the Investigator as a result of applicable laws and regulations provided Sponsor is notified before such disclosure to enable Sponsor to seek protective measures, if it deems appropriate, unless otherwise prohibited by law, in which case Sponsor will be notified as soon as reasonably practicable; or
- e) Which is developed by Investigator independently from the Confidential Information.

5.2 **Publication:** Investigator is free to publish the clinical study data in any reputed journal with due acknowledgment of Sponsor.

6. AUDIT AND INSPECTIONS

The Investigator shall keep accurate, complete and up-to-date records of all activities under this Agreement (the "Record"). During the term of this Agreement and for a period of five (5) years thereafter, Investigator shall permit the Sponsor' auditors, and/or any regulatory authority to audit and inspect the Record and shall comply with the provisions on audit set forth in the Protocol.

7. TERM AND TERMINATION

7.1 **Term:** This agreement shall commence from the effective date first written herein above and shall remain in force until acceptance by Sponsor of all data generated from the Study and resolution of all queries arising there under, unless earlier terminated under Clause 7.2.

7.2 **Early termination:** Notwithstanding any other provisions of this Agreement, the Sponsor may, by notice to Institution & Investigator, terminate this Agreement at any time without any liability or compensation to the Institution & Investigator, which termination will take effect on the date specified in the

Handwritten signature and initials in black ink, appearing to be 'R. S. R.' and a smaller 'R' to the right.

notice. Either Party may terminate this Agreement, if the other Parties breaches any terms of this Agreement and fail to rectify the breach within ten (10) days from the date of the notice from the non-defaulting Party.

7.3 Consequences of termination: Termination of this Agreement shall not affect any right which has accrued before the termination. Upon receipt of Sponsor's notice of termination, Institution & Investigator shall cease all activities related to the Study and shall promptly return to Sponsor all data, results, reports or other materials disclosed by Sponsor and or its Affiliates for the performance of the Study and all data, results, reports or other materials arising out of, or conceived during the Study. Sponsor shall settle any amount due to the Institution within forty-five (45) days from the effective date of termination. The provisions of Clause 4, 5, and 6, and Clause 2.5, 2.7, 7.3 and 8.6 shall survive after termination or expiration of this Agreement.

8. GENERAL

8.1 Entire agreement:

This Agreement and its appendices constitute the entire agreement between the Parties with regard to subject matter and supersedes all previous agreement and or arrangement, oral or in writing. In case of any conflict between any provision of this Agreement and the Protocol, the terms and conditions of (a) the Protocol shall prevail with respect to scientific and medical matters; and (b) this Agreement shall prevail with respect to all other matters; to the extent of such inconsistency.

8.2 Independent Contractor:

The relationship of the Parties under this Agreement is that of an independent contractor and no Party shall be considered an agent, employee or joint venture partner of the other party and shall have no right to bind the other party in any manner whatsoever.

8.3 Severability:

If any provision of this Agreement shall be held to be invalid, illegal or unenforceable, such provision shall be deemed severed from this Agreement without affecting the validity, legality or enforceability of the remaining

provisions.

8.4 Notice:

Any notice to be given under this Agreement shall be in writing in English and shall be sent personally to the address provided in this Agreement or as may be notified in writing by one party to the other from time to time.

8.5 Assignment:

Investigator shall not assign any of his/her rights and or obligations under this Agreement except with the prior written consent of Sponsor. Sponsor may assign this Agreement to any entity.

8.6 Governing law/Dispute resolution: The validity, construction and performance of this Agreement will be governed by and construed for all purposes in accordance with the laws of India. Any disputes arising out of this Agreement shall firstly be resolved by the Parties amicably, failing which matter shall be referred to Arbitration Tribunal before the panel of Three Arbitrators as per Arbitration & Conciliation Act 1996. Each Party shall appoint one Arbitrator and such two appointed Arbitrator shall appoint Third Arbitrator. The Arbitration Proceedings shall be conducted at Chandigarh. Subject to Arbitration Clause Courts at State of Chandigarh alone shall have the jurisdiction.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed by them and/or on their behalf by their duly authorized representatives.
