

Name of Program Conducted: one day Symposium on "Intellectual Property Rights in Modernized World"

Date: 31.10.2017

Organized by: MM College of Pharmacy, Mullana and sponsored by Indian hospital pharmacist association (Haryana state branch).

A brief description about the Program:

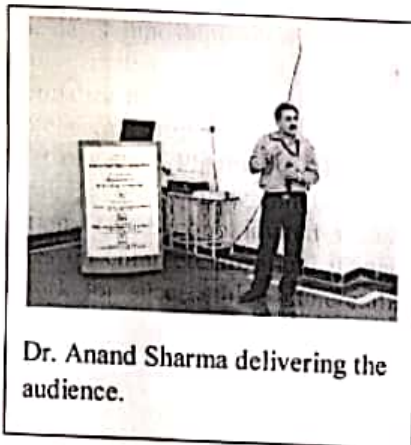

The one day symposium was aimed at exploring the basics of Intellectual property protection, especially patent, copyright and trademark protection, especially how scientists commercialize and make their discoveries available to the public or society by leveraging their Intellectual property. The symposium was inaugurated by Prof. Arockia Babu, Principal, M. M. College of Pharmacy, MMU, Mullana. The speaker of symposium elaborated on basics of Patenting, filing timeline (national and international) and documentation of IPR generation. The Second invited speaker, Dr. Anand Sharma, Scientists IPR cell, NIPER, Mohali, Punjab briefed the delegates on commercialization of innovation, strategies for commercialization, innovators homework for successful commercialization and regarding various funding agencies and schemes for IPR.

Number of Participation: 307 (Three Hundred Seven)

Detail of Resource Persons:

- 1) Chandan Chandana, Scientists IPR cell, NIPER, Mohali, Punjab
- 2) Dr. Anand Sharma, Scientists IPR cell, NIPER, Mohali, Punjab

One week national workshop on Research Methodology dated 4th-9th December, 2017

MM College of pharmacy, Maharishi Markandeshwar Deemed University, Mullana organized One week national workshop on research methodology. More than 100 participants from various parts of the country were participated. The workshop inaugurated with inaugural address by prof. Victor Gambir, Vice chancellor of MM Deemed University. Day one begins with Dr.Kanchan Jain, Head Department of Mathematics, Punjab University on "Significance of Statistics on Research" followed by Mr.Chandan Chandana, Scientist IPR cell, NIPER addressed on the topic of "Protect your Research with Intellectual property rights". Day two was started with "plagiarism Concerns in Research writings" by Dr.Girish Sogi from MMDU followed by Ms.Rajni Bala form Knowledge isotopes LTD elaborated on "Scientific writing", Dr. Nupur Prasad Lovely professional university discussed about "Successful research Path" in post lunch session on the end of the day Dr. Manu Sharma from MMDU discussed on "Ethics In Research". Day three stated with "Manuscript writing and publication ethics" Dr.Asir John Samuel MMDU, followed with brief session on "Successful research Hypothesis" by Dr.Sophia NIPER and "Designing of working Research Plan" was briefed by Dr.Naresh Sharma, Asst Drug controller India Post lunch sessions were "Citation and reference styles" Dr.Arpit Gupta PGIMER and "Ethical Consideration in Biological Research" Dr.Vimal, Scientist International Centre for Genetic Engineering and Biotechnology. Day four stated by Dr. Anil Jain Chairman, Vashishika Electron Devices on the topic of "Expectations of industries from universities. Followed by Dr.Kanchan Jain, Head Department of Mathematics, Punjab University provided hands on training with SPSS software. At the end of the day Dr. Varun Gulati from University of Delhi addressed the participants with "fair writing practices on research reports" and day five Started with extreme explanatory session by Dr.Praveen Kumar Bansal, Director Research, Baba Farid University of Health Sciences, Faridkot. Regarding different funding agensis and trust areas the same day afternoon session was by Dr. Atul Garg and Dr. Tarun Singh MMDU on the hands on training with mendeley referencing software and day six the delegates were explained working principles of advanced equipments used in research followed by hands on training with equipments the day facilitated by Dr.Jagatheesh K MMDU at all the outset the workshop end with high tea on day six. The workshop convened by Dr.A. Pandurangan and Dr.Sumeet Gupta and organized jointly by Dr.JagatheeshK and Dr.M. Arockia Babu. Further, this workshop sponsored by Indian Council of Contemporary Researchers and Ambala Scientific Instruments Manufacturers ' Association.

Name of Program Conducted: Current Trends in IPR

Date: 04.08-2018

Organized by: MM College of Pharmacy, Mullana

A brief description about the Program:

One day workshop was conducted on Current trends in IPR on 04.AUG.2018. Three eminent speakers delivered lecturer on intellectual property rights and 71 participants were attended this workshop from various institutions. The one day national workshop is aimed at not highlighting various issues related to IPRs but also giving knowledge on the art and science of patent literature search, documentation of in-house intellectual property generation process and thereof along with drafting and filling of patent and copyright applications.

Number of Participation: 71 (Seventy One)

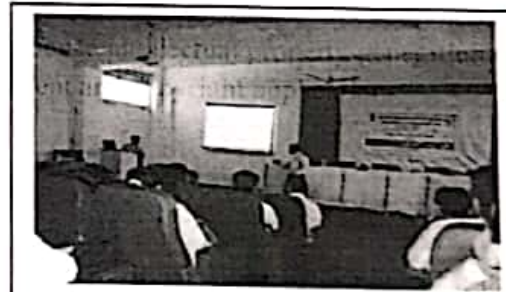

Detail of Resource Persons:

- 1) Mr. Parveen Kumar, Examiner of Patents & Designs, Department of Industrial Policy & Promotion, Ministry of Commerce & Industry, India.
- 2) Rahul Taneja, Scientist, Department of Science and Technology, Government of Haryana. Panchkula.
- 3) Dr. Ashish Sharma, IP Manager, Global IPR Law Consultants, Indi

"Indian Pharmacological Society North Zone Conference on "Advancement in Experimental and Clinical Pharmacology: AECp-20K9"

**MM College of Pharmacy, MM (Deemed to be University), Mullana, Ambala, Haryana
14th to 16th February, 2019**

M.M College of Pharmacy, Maharishi Markandeshwar (Deemed to be University), Mullana-Ambala has organised 2nd North Zone IPS Conference from 14th-16th Feb 2019 in associated with MMIMSR, sponsored by Department of Biotechnology, Government of India, New Delhi, Co-sponsored by Rolex equipment, Ambala.

On the 14th February, it was a pre-conference, where the invited guests and selected delegates gathered together and exchanged their idea on the various emerging trends in the field of Pharmacy. On 15th February, he welcome address was given by Prof. (Dr) Sumeet Gupta Principal & Dean, M.M College of Pharmacy as well as and organising secretary of the conference. The conference was inaugurated by Chief guest Dr. Rajni kaul who is eminent scientist-G at ICMR, New Delhi. The guest of honour was Dr. Ekta Kapoor Scientist-E DST, New Delhi along with other dignitaries for various government agencies like DBT, DST, ICMR, PU, PGI chandigarh, NIPER mohali.

A series of lectures were delivered on both days (15th to 16th February 2019) by various invited guests and participants from various Universities and renowned colleges. In all the sessions, various topics were discussed and there was a two-way interaction with through exchange of ideas.

The speakers of Day two, 15th February were Dr. Harmeet Trehan Director, Lady Hardinge Medical College, Dr. Ekta Kapoor Scientist E DST, New Delhi, Dr. Rajni Kaul Scientist G, ICMR New Delhi, Prof. S.S Sharma Niper Mohali, Dr. Bikash Medhi , PGI Chandigarh, Dr. R.K Goel Dean, Punjabi University, Patiala and the cover following topics respectively

- *"Dyslipidaemia in Indian subcontinents trends and mitigation strategies" "Preclinical/toxicity"*.
- *"Initiatives in Pharmacology and Traditional Medicines Research at ICMR"*.
- *"Challenge of experimental data of strokes for clinical explorations and way forward in Stroke Research"*.
- *"Regulatory system and drug development current update"*.
- *"Emerging Role of Bioinformatics Tools in Drug Discovery"*.

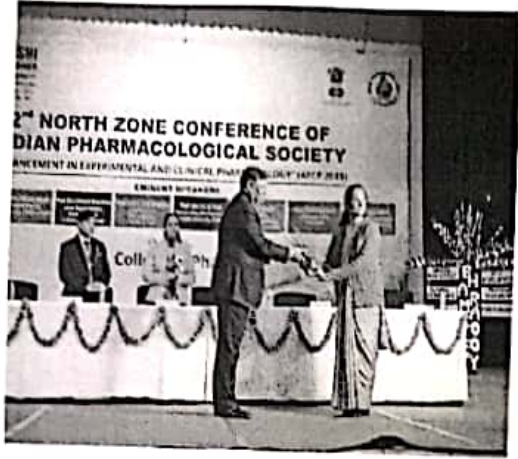

The lectures of third day (16th February), they were given Dr. Debrupa Lahiri, Department of Metallurgical and Materials Engineering, IIT Roorkee. Dr. P. P. Khosla, Clinical Pharmacologist, Department of Pharmacology, M.M Institute of Medical Science and Research, Mullana, Dr. Anurag Khuad UIPS ,Punjab University

- *"Surface modified Hip Implant for Sustained Drug release"*
- *"Challenges and opportunities in teaching of Therapeutics and conduct of clinical research"*
- *"Ethics In Pre-Clinical Research"*

A Parallel session on Oral and Poster Presentations was there where the delegates share their valuable research and views with the eminent scientist researchers, students and faculties of various Universities and Institutes.

On 16th February after the lunch break the conference was concluded in the valedictory ceremony and certification distribution for the achievers in various section of poster, oral presentation and cultural eve.

Name of Program Conducted: Three Day Pharmacy Practice Module Good Clinical Practice & Medical Writing

Date: 2-4. 04, 2019

Organized by: MM College of Pharmacy, Mullana

A brief description about the Program:

This module was focused on the Principles of GCP for conducting clinical trials & Clinical Trial Operations. **Dr. Dharinder Tayal**, shared his views on "Understanding Clinical Research and it's Opportunities in India". He shared the important information about different career opportunities in India and role of pharma professionals in Preclinical & Clinical trials in pharmaceuticals industry. **Dr. Pramil Tiwari**, delivered his lecture on major mistakes during medical writing. **Dr. Kanchan Vohra**, started her lecture on "Assessment of Medication Error in Prescription". **Dr. Akram Sidhu**, lecturer was focused on "Fundamentals of Good Medical Writing". There were approx 130 participants from different colleges/department across the country have participated in this event. The participants gave a very good feedback about the module-VI and many of them were expecting more, such type of programs to be conducted in future. The three day pharmacy practice advanced learning series module-VI was successfully concluded with National Anthem.

Number of Participation: 135 (One Hundred thirty Five)

Detail of Resource Persons: 08 (Eight)

1. **Dr. Bhaskar Krishanmurthy**, an eminent Clinical Pharmacologist at PGI, Chandigarh.
2. **Dr. Dharinder Tayal**, Director, Anovus Institute of Clinical Research, Chandigarh.
3. **Dr. Abhimanyu Prashar**, Associate Professor, M. M. College of Pharmacy, Mullana
4. **Dr. Kanchan Vohra**, Associate Professor, DIPSDR, Punjab University (Patiala)
5. **Dr. Sunil Verma**, Director, Academy of Clinical Intelligence, Chandigarh
6. **Dr. Jagatheesh**, Associate Professor, M. M. College of Pharmacy, Mullana.
7. **Dr. Akram Sidhu**, Regulatory Writer, Novartis Pharmaceutical, USA.
8. **Dr. Pramil Tiwari**, Professor & Head, Department of Pharmacy Practice, NIPER, Mohali.

Report of One day Seminar on

“Quality Research in Higher Education Institutions: Initiatives and Promotion”

Internal Quality Assurance Cell organized a seminar on 1st June 2019. The seminar was organized as a quality initiative to motivate faculty/researchers for quality research output in form of research proposal filing, publication in Scopus/Web of Science/Pubmed indexed journals, IPR generation etc. The resource person of the seminar was Professor S. K. Mehta, Department of Chemistry, Punjab University, Chandigarh & Director, SAIF, PU, Chandigarh. In seminar Dr Mehta narrated the research funding available from government agencies, initiatives of Punjab University to promote research in the region. (eg. Chandigarh Region Innovation and Knowledge Cluster (CRIKS), Availability of Sophisticated Analytical Instrument Facility (SAIF)).

Faculty actively engaged in the research participated in the seminar and had discussion with Dr SK Mehta.

**“Quality Research in Higher Education Institutions: Initiatives and Promotion” A Seminar
Delivered by Dr SK Mehta, Director, SAIF, Punjab University, Chandigarh on 1st June
2019 at MM(DU)**

Felicitation of Dr SK Mehta by Dr S. Chakarbarti (Convener of Research Promotion Group, MMDU), Dr Anil K Sharma, HOD, Biotech, MMEC and Dr MS Rathore (Director IQAC, MMDU)

To,
The Principal,
MMCD SR, Mullana

Subject:- Regarding conducting Guest Lecture.

Sir,

This is to inform you to kindly allow us to conduct an Expert lecture on '**Animal Models for Dental Research**' on 12 March 2019 from 10:00 – 11:00 a.m. in Seminar room, Oral and Maxillofacial Pathology, MMCD SR, Mullana. Resource person is Dr. Jagdeesh Kumar, Asstt. Professor, Department of Pharmacy, MMDU, Mullana. ~~As a new registration for BDS, CLO and CLO (Dentistry)~~ The lecture is open for Post-graduates, Faculty and BDS Interns.

I shall be highly obliged.

Yours sincerely
