Institutional Ethics Committee,

Minutes of the meeting held on 24.03.2018

The Institutional Ethics Committee of MM Institute of Medical Sciences & Research meeting was held on 24th March, 2018 at 11am in the office of the Principal.

The chairman welcomed all the members to the meeting and requested them to actively participate in the discussion to safeguard the patient's interest and to improve the quality of the scientific research.

The secretary read out the minutes of the last meeting and was approved by everyone. Everybody welcomed Dr. D. Das Prof. of Oral Surgery & Principal of MM College of Dental Sciences & Research for joining as an IEC member.

The list of the projects discussed and their approval status is attached. Two of the plans had to be disapproved because the research was not planned well. They were requested to resubmit after the modification in material & method.

IEC Meeting dated 12 June, 2018

Institutional Ethical Committee meet held on 12 June 2018 under Dr Prem Khosla. The minute of last meeting was approved. Details of the thesis plans were discussed and the approval status is as per the attached list.

A healthy discussion took place regarding the issue of plagiarism. At present UGC is planning to bring an ordinance which appears very stringent but it is a much needed matter in health research. The issue of plagiarism of this concept has not been addressed. There should be zero tolerance policy towards plagiarism of the data.
