## Introduction

A blood donation camp was organized by the NSS unit -1 of MM College of Pharmacy, Mullana on 08.12.2022. The camp was held on the college premises and was open to all students, staff, and members of the public.

## objective

The objective of the camp was to collect blood for the patients in the hospital.

## Activities

The camp was inaugurated by the DSW, Dr JK Sharma. In his inaugural speech, he emphasized the importance of blood donation and urged everyone to come forward and donate blood.

The camp was organized in a well-managed manner. The volunteers from the NSS unit guided the donors and helped them with the registration process. The donors were given refreshments after they donated blood.

## Conclusion

The blood donation camp was a success. A total of 23 units of blood were collected. The NSS unit -1 of MM College of Pharmacy, Mullana would like to thank all the donors for their support.

## Introduction

NSS Unit-3 of MM (DU), Mullana organized a bicycle rally on June 03, 2023, to celebrate International Bicycle Day. The rally was organized to promote the use of bicycles as a sustainable and eco-friendly mode of transportation. NSS Unit-1 of MM (DU), Mullana was also participated in this event.

## objective

The objective of the rally was to create awareness about the benefits of cycling and to encourage people to adopt cycling as a part of their daily routine.

## Activities

The rally flagged off from the college premises and covered a distance of approximately 5 kilometres. The participants were a mix of students, staff, and members of the public.

The rally was conducted with great enthusiasm and participants enjoyed the ride. The atmosphere was filled with a sense of camaraderie and sportsmanship.

## Conclusion

The bicycle rally was a successful event. It not only promoted the use of bicycles but also instilled a sense of environmental consciousness among the participants. The NSS Unit-3 of MM (DU), Mullana supported by NSS Unit-1 (MMCP) is committed to organizing such events in the future to promote sustainable living and environmental protection.

## Introduction

NSS Unit-1 of MM College of Pharmacy, Mullana organized a tree plantation drive on June 05, 2023, in the medical garden of the college. 21 saplings were planted during the drive.

### objective

The objective of the drive was to create awareness about the importance of trees and to contribute towards a greener environment.

### Activities

The drive commenced with an inauguration ceremony by the Principal of the college, Dr Sumeet Gupta. In his speech, he highlighted the role of trees in maintaining the ecological balance and urged the students to actively participate in the drive.

The students, under the guidance of the NSS programme officer, dug pits and planted saplings of various species, including Neem, Tulsi, and Kadamb. They were also provided with instructions on how to care for the saplings.

The drive was conducted with great enthusiasm and participants were eager to contribute to the noble cause. The college premises were filled with greenery and the atmosphere was filled with a sense of environmental consciousness.

### Conclusion

The tree plantation drive was a successful event. It not only contributed to the environment but also instilled a sense of responsibility among the students towards the conservation of nature. The NSS Unit-1 of MM College of Pharmacy, Mullana is committed to organizing such events in the future to promote environmental awareness and sustainability.

## Introduction

NSS, MM (DU), Mullana organized an International Yoga Day celebration on June 21, 2023. NSS Unit-1 joined this event with volunteers (16) The event was held to promote the benefits of yoga and to encourage people to adopt yoga as a part of their daily routine.

## objective

The objective of the event was to create awareness about the benefits of yoga and to encourage people to adopt yoga as a part of their daily routine.

## Activities

The event commenced with an inauguration ceremony by the DSW, Dr JK Sharma. In his speech, he highlighted the role of yoga in maintaining physical and mental health.

The event was followed by a yoga session conducted by a qualified yoga instructor Dr Munishwer Rai. The instructor guided the participants through a series of asanas (yoga postures) and pranayama (breathing exercises).

The participants enjoyed the yoga session and found it to be very relaxing and rejuvenating. They appreciated the opportunity to learn about yoga and to experience its benefits first-hand.

## Conclusion

The International Yoga Day celebration was a successful event. It not only promoted the benefits of yoga but also instilled a sense of well-being among the participants. The NSS, MM (DU), Mullana is committed to organizing such events in the future to promote holistic health and well-being.

### Awareness Program on Osteoporosis - ISR Activity Report

Venue: V.P.O- Mullana

Date: October 27, 2023

Prepared by: Dr. Omveer Singh and Dr. Sandeep Kumar

In alignment with the spirit of community engagement and social responsibility, an awareness program on osteoporosis was organized as an Integral Social Responsibility (ISR) activity. The event took place on October 27, 2023, at V.P.O- Mullana, and witnessed active participation from 35 students. The primary objective of this activity was to educate the local community about osteoporosis, its risk factors, prevention, and management.

Informational brochures on osteoporosis, its prevention, and management were distributed to the participants. These brochures acted as valuable takeaways to reinforce the knowledge shared during the event.

#### Participant Engagement

The program was designed to actively engage the students in the awareness campaign. They were encouraged to interact with the community members, distributing brochures and engaging in one-on-one conversations to address their questions and concerns.

#### Achievements

The awareness program on osteoporosis at V.P.O- Mullana was a resounding success. It achieved the following outcomes:

- Increased awareness among the local community regarding osteoporosis and its risk factors.
- Empowered the students to disseminate knowledge about osteoporosis and bone health.
- Promoted community engagement and social responsibility among the participating students.
- Facilitated interaction between experts and the community, creating a platform for open discussions and knowledge sharing.

We look forward to organizing similar ISR activities in the future and continuing our efforts to create a positive impact on society.

22 July 2023

**World Hepatitis Day (28 July 2023)**

The Department of Pharmacy Practice M.M. College of Pharmacy in collaboration with ISPOF student chapter of M.M. College of Pharmacy, MMDU organized an awareness program on World Hepatitis Day. The event was held on 28<sup>th</sup> July 2023 for the community residents in a nearby village Mullana. Around 30 students have participated in the event. The MMDU organized the transport service for the participants to reach the activity area, village Mullana.

The participants were first educated on the theme "One Life, One Liver - We've only got one life, and we've only got one liver. Hepatitis can devastate both" by faculty adviser ISPOR SC MMCP. The volunteers then went to a neighborhood and talked to the locals regarding hepatitis tests, treatment and cure.

This year's World Hepatitis Day, with the slogan "One Life, One Liver," emphasized the significance of the liver for a healthy life as well as the necessity of stepping up viral hepatitis prevention, testing, and treatment to improve liver health, prevent liver disease, and reach the 2030 hepatitis elimination goals.

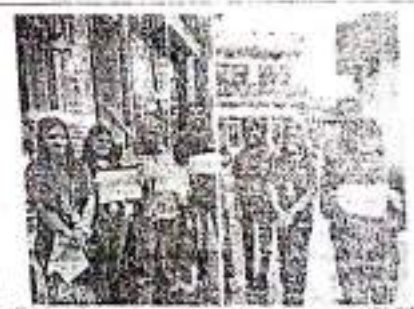

The purpose of this event was a call to action;

**Public:** You only have one liver - seek out access to hepatitis tests, treatment and cure, accessible through all health services.

**Global leaders:** Champion liver health by expanding hepatitis treatment and testing, as fundamental to universal health coverage.

**National leaders, especially those in highly affected countries:** Take liver health seriously and expand access to hepatitis testing, treatment and cure closer to home.

The event was wrapped up in 3 hrs.

**VISION:** "Providing technical and practice oriented pharmacy education to prepare students with attributes to meet the need of industry and society"

**MISSION:** To develop best technically competent pharmacy professionals by inculcating desired attributes in them for meeting industry demands. To make best pharmacists who can practice pharmacy to become effective team member of healthcare system and provide optimum patient care in all circumstances. \* Promotion of useful and innovative research to contribute to development of nation and global society.

## World Environmental Day (05 June 2023)

The Department of Pharmacy Practice M.M. College of Pharmacy in collaboration with ISPOR student chapter of M.M. College of Pharmacy, MMDU organized an awareness program on World Environmental Day. The event was held on 05<sup>th</sup> June 2023 for the community residents in a nearby village Suhana. Around 20 students have participated in the event. The event started with the plantation drive set by the Dean and Principal of MM College of Pharmacy Dr Sumeet Gupta followed by the in-person community awareness. The MMDU organized the transport service for the participants to reach the activity area, village Mullana, ~~Suhana~~.

Faculty advisor ISPOR SC MMCP also briefed the participants about the theme "solutions to plastic pollution". The volunteers then visited a community and interacted with the residents regarding polythene use. The students have mostly focused on the theme "Solutions to tackle plastic pollution" in specific and environment in general.

The significance of this event is to thank the volunteers, community members, health professionals, scientists who are working together to educate communities about the importance of world environmental day. The event was wrapped up in 3 hrs.

## World AIDS Vaccine Day (18<sup>th</sup> May 2023)

The Department of Pharmacy Practice M.M. College of Pharmacy in collaboration with ISPOR student chapter of M.M. College of Pharmacy, MMDU organized an awareness program on World AIDS Vaccine Day. The event was held on 18<sup>th</sup> May 2023 for the community residents in a nearby village Mullana. Around 20 students have participated in the event. The event started with the guest note set by the Dean and Principal of MM College of Pharmacy Dr Sumeet Gupta followed by the in-person community awareness. The MMDU organized the transport service for the participants to the reach the activity area, village Mullana.

Faculty advisor ISPOR SC MMCP also briefed the participants about Vaccine testing awareness and equity. The volunteers then visited a community and interacted with the residents regarding AIDS Vaccine and AIDS testing. The students have mostly focused on the theme "Putting Ourselves to the Test: Achieving Equity to End HIV" and AIDS in general.

The significance of this event is to thank the volunteers, community members, health professionals, scientists who are working together to find a safe and effective preventive HIV vaccine and to educate communities about the importance of preventive HIV vaccine research. The event was wrapped up in 3 hrs. It was a successful event and we closed it with high energy.

**Disease Awareness Campaign cum Patient counselling Report**

A Disease Awareness Campaign cum Patient Counselling session on "Pancreatitis, UTI, Asthma, COPD and Malaria", was organised by MM College of Pharmacy, Maharishi Markandeshwar (Deemed to be University), at MMDU, on dated 29<sup>th</sup> April, 2022. A total of 21 students (20 PharmD and 01 B Pharm.) of MMCP visited MMMSR, Mullana, Ambala. Three faculty members namely Dr Md Shamshir Alam, Dr Jaspreet Kaur and Dr Tarun Singh of MM College of Pharmacy supervised the event. During this disease awareness campaign cum counselling session approximately 30 patients including their relatives take interest in this activity. Information related to the disease and its prevention as well as proper use of medicines was given to the patients and their relatives. This type of awareness and counselling activity will definitely be helpful for the people in the society for the proper use of medicines and prevention of diseases.

## Report on ISR activity done on 14<sup>th</sup> November, 2022

Title of the Activity: Children's Day celebration  
Venue: Aggarwal Brick Co., Barara, Ambala  
Date: 14<sup>th</sup> Nov, 2022  
Time: Afternoon (12.10 PM- 2.00 PM)

Faculty members from Department of Biotechnology, MMDU, Mullana, Ambala along with the Head of The Department Prof. (Dr.) Anil Sharma Celebrated Children's day by spending some time with underprivileged children of laborers working in Aggarwal Brick Co., Barara. Around 10 faculty members along with 32 students participated in this activity. Dr. Mahiti Gupta and Dr. Poonam Aggarwal managed the aspects of activity. They distributed some healthy nutritious food to these children like Apple, Banana, Milk, Samosa. The children from age 2 years to 14 years were happy to have this food. There was a glimpse of love and satisfaction in their eyes and tear in our eyes. Faculties interacted with children telling about the benefits of healthy food and daily need of nutrition.

### QUIZ COMPETION "AZADI KA AMRIT MAHOTSAV"

India is celebrating its 75 years of Independence. To mark this special occasion, the country is celebrating "Azadika Amrit Mahotsav" and several initiatives like "Har Ghar Tiranga" are a part of the celebrations. On this occasion the Sky Scrapers Society of civil engineering department, MMEC, MMDU, Mullana, Ambala organized a Quiz Competition open to all MMDU students on 12<sup>th</sup> August 2022. The quiz is designed to encourage our students and faculty members to learn about our nation and its incredible history. The Quiz focused on to check how well you know India. Independence Day 2022 is a day that reminds us all about the countless sacrifices made by our freedom fighters. It is also a day when everyone basks in the glory of this great motherland and reminds themselves of the true spirit of patriotism.

Total 21 participates participated in this competition. List of the participants is listed below:

Name	College/Institute	Department	Roll No./Staff ID	Designation
Garvit Goyat	MMDU	B. Tech Civil	11199106	Student
Anand Raj Sah	MMDU	B. Tech Civil	11193115	Student

## Report Teacher's Day celebration

Teacher's Day is celebrated in India every year on 5th September to appreciate the role played by teachers in the life of students—the leaders of tomorrow. The day is also celebrated to pay tribute to Dr. Sarvepalli Radhakrishnan, former President of the country and a visionary educator. Teachers provide the power of knowledge and education and create possibilities for better future. The whole event was meticulously planned by the student of 7<sup>th</sup> semester, civil engineering department.

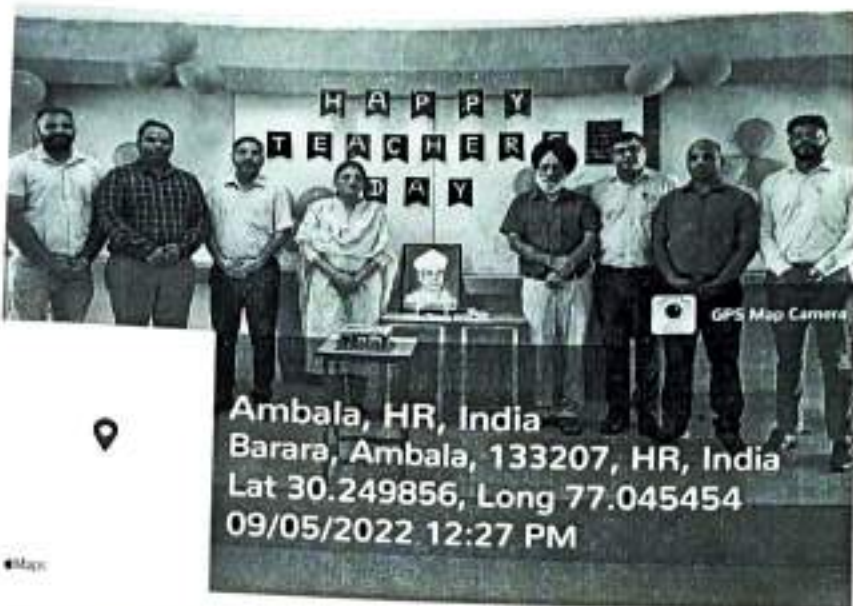

The programme was hosted by Ms Shilpa and Mr. Saksham Mahajan students of 7<sup>th</sup> semester, civil engineering department. The programme commenced with a shloka recital in Sanskrit by Mr. Yugram Kewat. This was followed by a melodious song sung by a student Mr. Md Misbah Mansuri.

Dr. Vanita Aggarwal, spoke on the inherent qualities to be a successful teacher. All teachers cheered and motivated their colleagues with a wide smile. Further she appreciated the efforts put in by the final year students and teachers but at the same time exhorted the teachers to gear up to face the changing demands of the audio-visual learners. The entire programme was applauded by everyone present and will always remain a beautiful memory in the hearts of one and all present.

## Report

### Smart Engineering for a Better World

#### (Engineer's Day Celebration)

Every year September 15 is celebrated as Engineers' Day in India to commemorate one of India's finest engineers, Mokshagundam Visvesvaraya. M Visvesvaraya is considered one of the foremost nation-builders, creating marvels upon which modern India was built. He was referred as the 'precursor of economic planning in India', according to the Institution of Engineers India (IEI). M Visvesvaraya is also known as 'VM Sir' due to his various contributions to the field of engineering and being a pioneer of education. Born on September 15, 1861, in a small village called Muddenahalli in Karnataka, Visvesvaraya received a degree in civil engineering from Pune College of Engineering. His expertise was in the fields of irrigation and flood disaster management. He was knighted as a Knight Commander of the British Indian Empire (KCIE) by King George V for his contributions towards public good. M Visvesvaraya received India's highest honour, the Bharat Ratna, in 1955. Greeting engineers on Engineers Day last year, Prime Minister Narendra Modi said, no words are enough to thank the engineers for their "pivotal role in making our planet better and technologically advanced".

To commemorate the birth anniversary of Bharat ratna M. Visvesvaraya, civil engineering department of MMEC, MM(DU), Mullana, Ambala in association with Institution of Engineer India (IEI) organised 55<sup>th</sup> Engineers day. The theme of event was "Smart Engineering for a better world". Dr. Satbir Singh Kadian, Engineer-in-Chief & CEO, Irrigation & Water resources Deptmnt, Haryana, Chief guest for the event highlighted the role of engineers in the development of country. Chairperson and Former V. President, IEI Dr. Vrinda Gupta and Er. K.C.Sethi were also present in the event. Students for MMEC, MM(DU), Mullana, Ambala presented a knowledgeable presentation on "Smart Buildings and their Future" and a live display of a project "Smart Engineering Products for day to day life". To appreciate the excellent work done in the previous year 3 eminent engineering personalities were awarded during the event namely Mr. Ashwani Kumar Gupta, Additional Director (Technical), Department of Industries & Commerce, Government of Haryana, Chandigarh, Dr. Baldev Setia, Director of Punjab Engineering College (Deemed to be University), Chandigarh and Dr. Vanita Aggarwal, Professor and Head of Civil Engineering

Professor A. Handi  
Principal, MMEC, Mullana, Ambala

Department at MMEC, Mullana. During the event students of MMEC, MM(DU), Mullana were enlightened about the life and achievements of Mokshagundam Visvesvaraya through a life sketch presented by Er. K.C. Sethi. Students and faculty members were motivated through an intellectual and motivational key note address by Dr. Baldev Setia. The event concluded with a speech from the chairperson of IEI Dr. Vrinda Gupta and vote of thanks by Dr. Vanita Aggarwal.

MMEC, MM(DU), Mullana, Ambala wishes all the engineers out there a very happy "Engineers Day".

## Report on "Diwali Dil Se"

**Date: 19.10.2022; Time: 11:00am to 3:30pm**

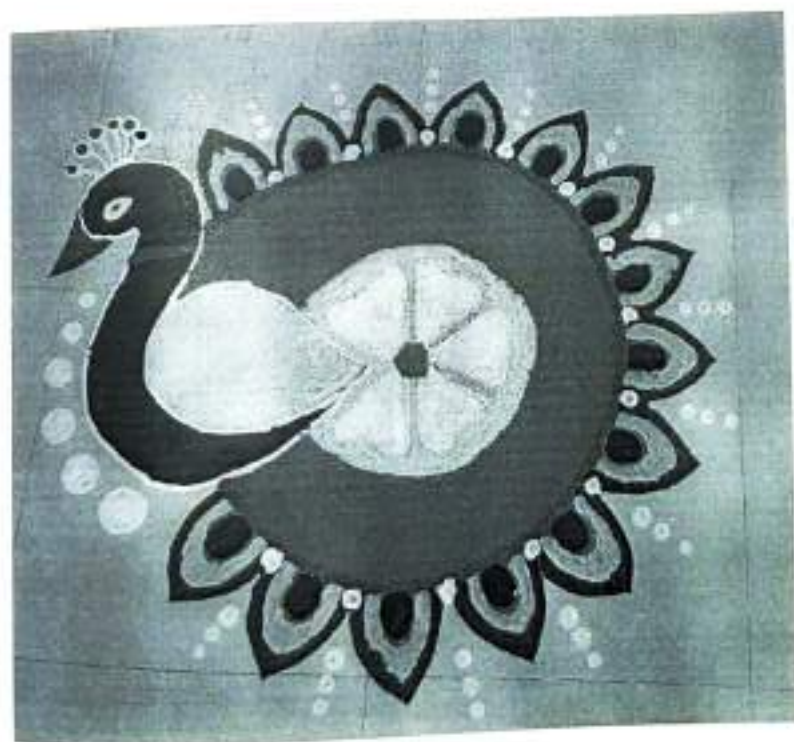

**Venue: L.T – 9; Civil Engineering Department**

Diwali is a festival of lights & symbolizes the spiritual "victory of light over darkness, good over evil, and knowledge over ignorance. Diwali is the day Lord Rama, his wife Sita Devi and brother Lakshmana return to their homeland after 14 years in exile. The villagers lit a path for Rama, who had defeated the demon king Ravana. The people of Ayodhya lined the streets and their homes with oil wicks in clay lamps to welcomed them. People also celebrate the Hindu Goddess Lakshmi during Diwali. As the goddess of prosperity, wealth and fertility, the romantic Diwali story says that she chose Lord Vishnu, one of Hinduism's most important deities, to be her husband on the night of Diwali.

In order to celebrate the Diwali festival, Skyscraper Society of Civil Engineering Department organized "Diwali Dil Se" which included various activities like Poster Making Competition, Diya decoration and Rangoli Competition on 19.10.2022. Students participated with immense zeal and enthusiasm and made very beautiful posters, diya and rangoli.

## Report on "Unity Walk"

Date: 31.10.2022; Time: 10:45am to 11:40 pm

### Civil Engineering Department

To mark the birth anniversary of the first Deputy Prime Minister and the first Home Minister of India, Sardar Vallabhbhai Patel, the Skyscraper Society of Civil Engineering Department organized Unity walk at MMEC, MM(DU), Mullana, Ambala. In view of the occasion, tributes were offered to the prominent leader of India's freedom struggle. Students of B-Tech 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> year participated in the event and carried the walk by holding Indian flag. Patriotic slogans diffused in the environment of university created a mesmerizing view. All the faculty members along with Dr. Vanita Aggarwal (Head of the Department) accompanied the walk and motivated students.

## Lohri Celebration

Central Lawn of Engineering Block-III

Date: 13.01.2023, 03:30-4:15PM

Lohri, is one of the most popular festivals of north India. Celebrated primarily by Sikhs and Hindus, the festival marks the end of the winter solstice and harvesting of the rabi crops. The festival is celebrated every year on January 13 with much enthusiasm and zeal.

People like to deck up in colorful traditional attires, sing and dance around the bonfire, welcoming the longer days of warmer temperature. Skyscraper society of civil engineering department organized a Lohri celebration program in the Lawn area of Engineering Block – III. The festival was inaugurated by lighting the fire by Dr. Ashok Arora, Director, MMEC, MM(DU), Mullana, Ambala along with Dr. Vanita Aggarwal, Professor and Head of Civil Engineering and Dr. N.K Batra Professor and Head of Mechanical Engineering.

The festival was attended by all the faculty and staff from Mechanical and Civil Engineering with much enthusiasm. Everyone celebrated the festival with songs. The bonfire, a key feature of Lohri, was kept alight throughout the celebration, lighting up the spirit of joy, happiness and togetherness. Even as the festival ended, the moments spent in the festival would be some of the most enjoyable memories.

## Report Standard Penetration Test

The civil engineering department organized a two-day field workshop for B-Tech 3<sup>rd</sup> and 4<sup>th</sup> year students on 06/04/2022 and 07/04/2022. The primary objective of this objective workshop is to establish the geotechnical condition of site and evaluate the allowable bearing pressure and other engineering design parameters of soil sub grade. To obtain the required data Standard Penetration Test (SPT) was performed. SPT is an in-situ dynamic penetration test designed to provide geotechnical engineering properties of soil. The moto of this workshop was to enlighten students about the practicality and technicality of the soil testing done in field. To obtain sub-surface stratification four boreholes were drilled in the construction area by manually auger method. The samples collected were then transported the laboratory where various test like Particle Size Analysis, Bulk Density, Natural Moisture Content and Atterberg's limit were carried out.

Dr. Vanita Aggarwal (Head of the Civil Engineering Department) along with other faculty members Dr. B.S Walia and Er. Vikas Sofat explained students in detail all the technicalities of the test and all the measures which need to be countered while field testing.

## REPORT ON AUTOCAD WORKSHOP

A free workshop was organized by Sky Scrapers Society on 28.09.2022 at 9:30AM to 12.30 PM in Computer Application Lab of Civil Engineering Department by the renowned representative from **Autodesk**. 34 Students of 5<sup>th</sup> semester are enrolled for this workshop.

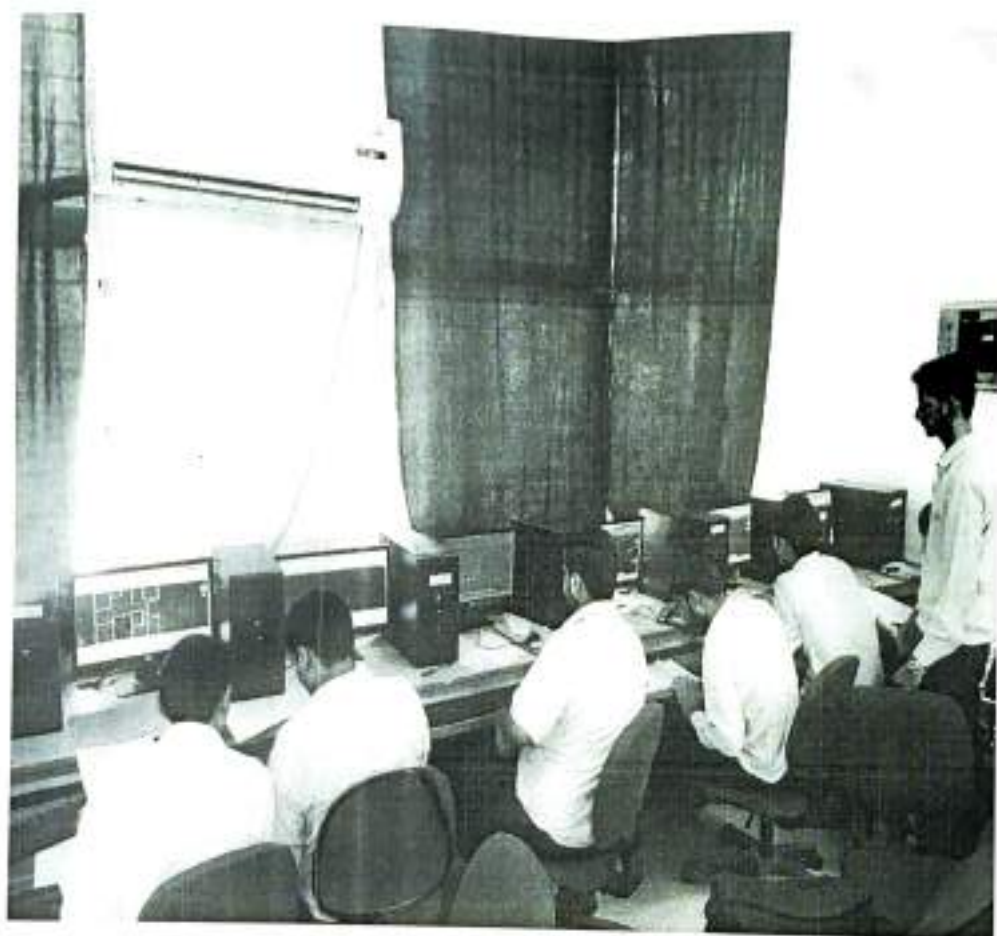

In workshop they highlighted the importance of software in the present scenario for civil engineering students and how this software are helpful to enhance their skills to get better jobs.

Workshop includes a plan plotting by using AutoCAD software and different shortcuts or commands for plotting positions and new enhanced drawing features.

## Report University Level Painting Competition

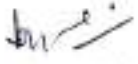

It is a matter of pride to all of us as a responsible citizen of India that our country holds the presidency of the prestigious G20. The group of G20 is the premier forum for the international economic cooperation. It also plays an important role in shaping and strengthening global architecture and governance on all major international economic issues. The theme of India's G20 presidency is "*Vasudhaiva Kutumbakam*" or One Earth One Family One Future closely ties with **LiFE (Life style for Environment)** with a focus on sustainable and environment friendly life styles, harmony within the human family and honest conversations about climate change and global security.

Education is a priority area for India's G20 presidency, with a focus on foundational literacy and numeracy, lifelong learning inclusive and collaborative technology enables learning and strengthening research and innovation through collaboration. It is deemed to be the duty of every Indian to feel the spirit of the theme and make it feel within themselves and enact accordingly by spreading the message in all possible manner.

In this regard, The Sky Scrapers Society of Civil Engineering department organized a Painting Competition open to all MMDU students on 27<sup>th</sup> Feb 2023. The contest is designed to encourage our students to express their own ideas, in relation to the "**Pollution Control**". Students participated in the competition with great fervor giving ways to their imagination.

Anamika Sharma of BALLB of 2<sup>nd</sup> sem bagged the first prize and Sakshi of BALLB of 2<sup>nd</sup> sem won the second prize..

Dr. Vanita Aggarwal, applauded the students for their participation and motivated them to participate in such activities as these activities in still awareness among the youth.

## **Report on Holi Celebration**

**Date: 07.03.2023**

**Venue: Surveying Lab.**

Holi, a celebration of colour, an experience of content, harmony and delight. The most colourful and vibrant festival of India – Holi was celebrated with splash of colours at Civil Engineering Department, MMEC, MMDU, Mullana, Ambala. Holi is the festival which commemorates the victory of good over evil, brought about by the burning and destruction of the evil demon named Holika. The festival marks the end of winter and the abundance of the upcoming spring harvest season. Dr. Vanita Aggarwal (Head of the Department) stated that Holi is a festival of new hope, new beginning and new opportunity. She reiterated to forget, forgive and start afresh and advised the staff members to play only with organic colours.

### Earth Day Celebration

Date: 21.04.2023

Venue: Drawing Hall, Engineering Block-3

EARTH DAY is celebrated around the world with a beautiful message - "Our continuing efforts in our everyday lives will make this beautiful planet thrive." Earth Day is a proof that even one person can make a global impact in a positive way.

A colorful painting competition was organized to celebrate the Earth Day in Department of Civil engineering. The theme for the day was 'Save Earth'. There was ten students participated in the event.

Students were very excited about the competition. Every participant had a different and unique representation of the theme. Jayshree from 4<sup>th</sup> semester bags 1<sup>st</sup> position in the event.

### Farewell Party Report

Date: 29.04.2023

The Department of Civil Engineering organized a grand farewell to bid adieu to its passing out batch 2019-23. Dr. Vishal Bharti, Principal, MMEC & Dr. NK Batra, Dean Academics graced the occasion with their presence. Dr. Vanita Aggarwal, HOD, Civil Engineering showered the blessing on students for their successful professional career.

The students enthusiastically participated in various cultural activities, games, gifts exchange and tittle exchange. The farewell party successfully concluded with the vote of thanks by Prof. (Dr.) Vanita Aggarwal (Professor & Head Civil Engineering). The event was well coordinated by Er. Sunil Chauhan & Er. Aneesh Goyal.

A flagship magazine CIVIERA 2023 containing database for all the passing out students was released during the function. The farewell party ended up with mixed feeling of joy and separation.

### Quiz Competition On Independence Day

Venue: Computer Lab (222), Engineering Block-III

Time: 1:40 PM to 2:10 PM

Department of Civil Engineering has organized Quiz competition on 11.08.2023 at Room no 222, Engineering Block-III, on occasion of India's Independence Day. The theme of the competition was based on Indian Freedom fighters and their roles in India's Independence.

There were 08 students from 3<sup>rd</sup> semester Civil Engineering who took part in the event. The lists of winners are as follows-

Sr. No.	Roll No.	Ranking
1	11229105	1st
2	11229108	2nd
3	11229104	3rd
4	11229162	3rd

- Rambabu Kumar

- Ashutosh Kr. Yadav

- Basid Emam

- Divyani Kr.

### Smart Engineering for a Better World

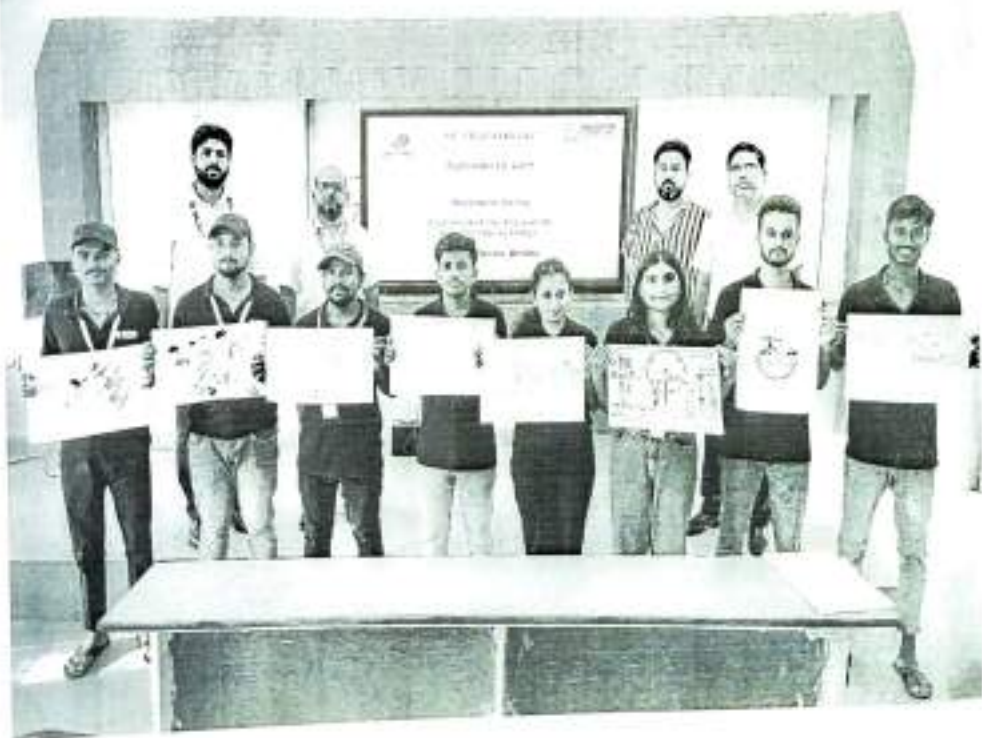

#### (Engineer's Day Celebration)

Every year September 15 is celebrated as Engineers' Day in India to commemorate one of India's finest engineers, Mokshagundam Visvesvaraya. M Visvesvaraya is considered one of the foremost nation-builders, creating marvels upon which modern India was built. He was referred as the 'precursor of economic planning in India', according to the Institution of Engineers India (IEI). M Visvesvaraya is also known as 'VM Sir' due to his various contributions to the field of engineering and being a pioneer of education. Born on September 15, 1861, in a small village called Muddenahalli in Karnataka, Visvesvaraya received a degree in civil engineering from Pune College of Engineering. His expertise was in the fields of irrigation and flood disaster management. He was knighted as a Knight Commander of the British Indian Empire (KCIE) by King George V for his contributions towards public good. M Visvesvaraya received India's highest honour, the Bharat Ratna, in 1955. Greeting engineers on Engineers Day last year, Prime Minister Narendra Modi said, no words are enough to thank the engineers for their "pivotal role in making our planet better and technologically advanced".

The theme of event was Poster Making Competition on "Smart Buildings and Infrastructure". There was 8 students from 3<sup>rd</sup> semester participated in the event.
