To whom it may concern

This is to certify that Ms. Saroj Rani is a bonafied Ph.D Scholar of Maharishi Markandeshwar University Mullana, Ambala. She has joined Indian Institute of Wheat and Barley Research, Karnal (Formerly Directorate of Wheat Research) for doing her Ph.D work since March, 2012 under my supervision. Ms Saroj is working on *Triticum aestivum* AGPase and its subunit interaction analysis using *in silico* approaches. She has successfully delivered her thesis seminar for the completion of her Ph.D degree and hopefully she will be submitting her thesis within fortnight. I personally found her as a committed worker with a good sense of perseverance and observation. She has always shown great desire to learn new things. Basically, she is an excellent team worker and has also the qualities and conceptions to independently plan, execute and interpret scientific experiments and results. During the tenure she has published few research articles in Journal of repute and more research papers are in pipeline to be published.

In her studies she has for the first time underpin molecular dynamic simulation of ADP Glucose Pyrophosphorylase and identified critical amino acid responsible for the functionality of enzyme. She has presented her research work in couple of National and International symposia and conferences.

I wish him success in his scientific endeavors.

Dear Mr Dhindsa,

2015-12-21

Renewal of Research Contract No. 17642/R0

Reference is made to Research Contract No. 17642/R0 between the IAEA and the Maharishi Markandeshwar University which entered into force on 26 December 2012.

The IAEA desires to renew the Contract No. 17642/R0 for the period 11 December 2015 to 10 December 2016 with the following modifications:

1. Programme of Work

1. A single computer program for the calculation of the radius parameter and hindrance factor (merging of ALPHAD and RAD) will be prepared and submitted to the IAEA for dissemination as part of the Analysis Codes used for Nuclear Structure and Decay Data evaluations for the Evaluated Nuclear Structure Data File (ENSDF).
2. The existing table of Magnetic Rotational bands will be updated taking into account all the newly available data.
3. The earlier table of radius parameters produced by Alkovali in 1998 (1998Ak04) will be updated.
4. The evaluation of mass chain A=226 will be finalized and submitted for review.
5. Efforts to further strengthen the data evaluation activity at Maharishi Markandeshwar University, Mullana, Ambala (India) will be continued.

The above work will be done in consultation with other Data Centres, in particular with Dr. B. Singh (McMaster Univ., Canada), Prof. A.K. Jain (IIT Roorkee, India), Dr. J.K. Tuli (NNDC, BNL, USA), and Dr. G. Mukherjee (VECC, Calcutta, India).

2. IAEA's Contribution

The IAEA shall pay a sum not exceeding € 4 000 (Four Thousand).

3. IAEA Financial Obligations

The financial contribution from the IAEA pursuant to Clause 2 ("IAEA Contribution") of this Renewal shall be paid to the Contractor in two installments as follows:

Prof. & Head
Department of Physics,
M.M. University,
Mullana (Ambala).

(i) An initial payment equivalent to € 2 000 (Two Thousand) shall be paid within one (1) month from the entry into force of this Contract.

(ii) A final payment equivalent to € 2 000 (Two Thousand) shall be paid upon the completion of the Research Project and on the certification by the appropriate officer of the IAEA for the Research Project that the reports required under Article 3("Reporting") of this Contract have been received in due time and accepted by the IAEA.

If, under this Contract, the Contractor requests partial or total payment by the IAEA to a third party, this shall be specified in Annex B "Bank Information Form", which shall be signed by the duly authorized representative of the Contractor and by the third party receiving payment on behalf of the Contractor.

Any payment to a third party named as Payee in Annex B "Bank Information Form" shall constitute a settlement of the financial obligations of the IAEA to the Contractor under this Contract.

The Parties may provide through an exchange of letters made pursuant to this Contract that a part or parts of the payment to be made by the IAEA under this Contract shall be used for a particular purpose. In that case, the part or parts of the payment shall be used only for the prescribed purpose.

With reference to Clause 3 ("IAEA's Financial Obligations") of this renewal of Contract, I should like to add that it is the policy of the IAEA to make payments by bank transfer in favor of the contracting Institute.

Subject to the above modifications, all the other terms and conditions of the Research Contract No. 17642/R0 shall remain valid.

If the above amendments are satisfactory, please have the renewal of the contract signed by the authorized person and return it to the IAEA Research Contracts Administration Section within 60 days or the offer of the renewal of contract may be withdrawn.

Ms Dimitriou, Paraskevi of the Nuclear Data Development Unit has been named Project Officer for this contract.

For the IAEA:

Ms Nathalie COLINET
Head, Research Contracts Administration Section
Dept. of Nuclear Sciences & Applications

Date: 21 December 2015

INTERNSHIP PROGRAMMES

Under the aegis of Haryana State Legal Services Authority, internship programmes are being conducted by DLSAs in the State of Haryana. The idea behind the said internship programmes is to familiarize law students about the problems of weaker and marginalized section of society. The students are made

Ambala

aware, during the said internship programmes, about the various barriers to access to justice. They are sensitized about the socio-legal problems prevailing in the society. They are also made familiar about the various activities which are being done by the Legal Services Authorities to achieve the objective of access to justice for all.

Subject: Six Weeks Industrial Training of M.Sc. (Chemistry) students

Dear Sir,

We introduce ourselves as a Postgraduate Department from Maharishi Markandeshwar University, Mullana, Ambala, Haryana. University was established under Section 3 of the University Grants Commission (UGC) Act 1956 and is the first self-financing University in the State of Haryana having 15 constituent Colleges under it. We are following internationally compatible latest curriculum and pedagogy with foreign collaborations. The University has world class state-of-the-art infrastructure and Wi-Fi campus.

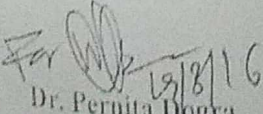

We are running M.Sc. (Chemistry/Pharmaceutical chemistry) course for last Seven years. At present, we are having 150 students registered in the M.Sc. (1st year). As a part of the academic requirement to strengthen the knowledge gained during studies the students are required to undergo *six weeks industrial training* starting after the completion of 2nd semester exams, so that the students get a feel of industrial work culture and important practical tips from the professionals of the industry. In this regard, we seek your kind cooperation in providing an opportunity of practical exposure in your esteemed organization to our following 02 students of M.Sc. Chemistry. The training period will tentatively be starting from the *first week of June 2016*.

Subject: Six Weeks Industrial Training of M.Sc. (Chemistry) students

Respected Sir/Madam,

We introduce ourselves as a Postgraduate Department from Maharishi Markendeshwar University, Mullana, Ambala, Haryana. University was established under Section 3 of the **University Grants Commission (UGC) Act 1956** and is the first self-financing University in the State of Haryana having 15 constituent Colleges under it. We are following internationally compatible latest curriculum and pedagogy with foreign collaborations. The University has world class state-of-the-art infrastructure and Wi-Fi campus.

We are running M.Sc. (Chemistry/Pharmaceutical chemistry) course for last eight years. At present, we are having 146 students registered in the M.Sc. (1st year). As a part of the academic requirement to strengthen the knowledge gained during studies the students are required to undergo *six weeks industrial training* starting after the completion of 2nd semester exams, so that the students get a feel of industrial work culture and important practical tips from the professionals of the industry. In this regard we seek your kind cooperation in providing an opportunity of practical exposure in your esteemed organization to our following **students** of M.Sc. The training period will tentatively be starting from first week of June 2016.

1. Paras- Roll No. 11157868 → 174
2. Sahil - Roll No. 11157869 → 175
3. Anshu Kumar Mehta- Roll No. 11158194 → 176
4. Rakesh Kumar - Roll No. 11157839 → 177

Looking forward to see a long-term relationship between M. M. University and your esteemed organization.

Thanking you
