MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding ("MoU")** is made on **3rd day of May, 2016**

BETWEEN

Maharishi Markandeshwar Engineering College, Maharishi Markandeshwar University, having their registered office at Mullana, Distt. Ambala, Haryana 133207, India (hereinafter referred to as "MMU")

AND

Bosch Limited, having their registered office at Hosur Road, Adugodi, Bangalore - 560 030, India and its sales office at Bosch Limited, Plot No. S.C.O 301, Sector 9, Urban Estate, Panchkula, Haryana, 134109 (hereinafter referred to as "Bosch")

MMU and **BOSCH** are individually referred to as "Party" and jointly referred as "Parties".

The Parties wish to enter into this Memorandum of Understanding (MoU) for establishing **MMU-BOSCH Joint Certification Program** (hereinafter referred to as "**Joint Training Program**") jointly developed by Bosch along with the MMU in the campus of MMU **upon the following understanding:**

हरियाणा HARYANA

F 515325

1. The proposed Joint Training Program will be established by MMU as per the concept to be designed by Bosch. The proposed Joint Certification Program will cover Ambala region. It will act as the bridge to address the technological gap and focus on various technical training programs for Bosch dealer network. This Joint Training Program will also enable training to the diploma, degree students of MMU College and other institutes and nearby industries personnel's and technical students. (hereinafter referred to as "**Program**").
2. BOSCH concept is the efficient combination of hardware, teachware and courseware which is offered by BOSCH as industry oriented training in the field of automotive technology.
3. MMU with assistance of BOSCH (limited only to the assistance mentioned below) will establish and maintain the training center premises (hereinafter referred to as "Premises") for conducting training courses according to the BOSCH concept.
4. BOSCH at its discretion shall provide related know how, technology support, supply concept kits for different technologies with non-transferable, limited usage licensed copies of teachware and courseware, train the faculty as "TRAIN THE TRAINER" (TTT) in its training center in Bangalore as necessary, provide training methodologies in line with BOSCH concept, subject to terms and conditions mentioned hereafter.
5. MMU, in the Premises and with Bosch approved courses, will impart training to the eligible & selected undergraduate, post-graduate, polytechnic, vocational school students to meet industry requirements, bridging the industry academic gap and enhancing the competency levels of students for better employability. MMU will also provide industrial training to nearby industrial personnel, and wherein the successful students will be awarded a joint certificate of BOSCH and MMU (**Refer the Annexure -2**).

In consideration for Bosch providing training assistance mentioned above, MMU agrees and undertakes to allow Bosch the unrestricted right to use the Joint Training Program Premises to directly impart training for Bosch dealer network, OEMs, OECDs, STUs on cost sharing basis. It being clarified that for Bosch beneficiaries, Bosch will provide its own certificates on Bosch specified format.

6. For efficient running of the Premises and to cover the recurring costs, it is recommended to charge nominal fees for the course offered. The fees thus collected shall be shared between Bosch and MMU for their respective efforts as per the terms and conditions contained under **Annexure - 1**.
7. MMU shall conduct training course(s) for their student and its student beneficiaries and the number of training days should not exceed 20 calendar days in a month.

- C. The parties have agreed to collaborate in accordance with the terms and conditions of this Agreement.

1 University Programs

- 1.1 University may, from time to time, wish to implement various technical solutions and educational digital literacy programs by providing training, education and tools in respect of open web technologies and its integration in student learning to its faculty and students (each "a Program"); and requests that Google partners with University to help design a curriculum on tools, training and resources for each University Program ("Google Solution").

1.2 The Parties shall set out the specific details of each of Program in a Program Schedule in the form attached hereto as Schedule A. Google shall propose a Google Solution for each Program and University shall engage third party service providers ("Service Provider") to:

- (a) provide training and technical services and equipment;
- (b) license tools and applications; and
- (c) facilitate or provide infrastructure for the implementation of the Program.

2. **TERM AND TERMINATION**

2.1 This Agreement commences on the Effective Date and will (unless terminated earlier in accordance with its terms) continue for one (1) year. Google may terminate this Agreement at any time by giving at least thirty (30) days' written notice to University. University may terminate this Agreement at any time by giving at least sixty (60) days' written notice to Google.

2.2 A party may suspend or terminate this Agreement with immediate effect if the other party: (i) is in material breach of this Agreement where the breach is incapable of remedy; or (ii) is in material breach of this Agreement where the breach is capable of remedy and fails to remedy that breach within fourteen (14) days after receiving written notice of such breach.

2.3 A party may suspend or terminate this Agreement immediately if the other party enters into an arrangement or composition with or for the benefit of its creditors, goes into administration, receivership or administrative receivership, is declared bankrupt or insolvent or is dissolved or otherwise ceases to carry on business or any analogous event happens to the other party in any jurisdiction in which it is incorporated or resident or in which it carries on business or has assets.

3. **APPLICABLE LAWS & ANTI-BRIBERY**

3.1 University represents and warrants that it will comply with all applicable laws and regulations, including all applicable commercial and public anti-bribery laws ("**Anti-Bribery Laws**") such as the U.S. Foreign Corrupt Practices Act of 1977 and the UK Bribery Act of 2010, which prohibit corrupt offers of anything of value, either directly or indirectly, to a government official to obtain or keep business or to secure any other improper commercial advantage. "Government officials" include any government employee; candidate for public office; and employee of government-owned or government-controlled companies, public international organizations, and political parties.

3.2 University and its personnel have not and will not offer, pay, promise or authorise the payment, directly or through any other person or entity, of anything of value for the purpose of inducing or rewarding any favourable action or influencing any act or decision in connection with Google's business to a candidate for public office or to an official or employee of a government, government-controlled entity, public international organisation or political party.

3.4 Both parties acknowledge that Google, by entering into and performing its obligations under this agreement, is in no way seeking an improper benefit from University or from any other party.

3.5 Nothing in this Agreement will prevent University or its students or staff from obtaining services equivalent to or the same as those provided by Google under this Agreement from a third party, nor Google from partnering with other universities and third parties.

4. **CONFIDENTIAL INFORMATION, DATA PROTECTION AND INTELLECTUAL PROPERTY**

4.1 "**Confidential Information**" means information disclosed by one party to the other party under this Agreement that is marked as confidential or, from its nature, content or the circumstances in which it is disclosed, ought reasonably to be supposed to be confidential. It does not include information

that the recipient already knew, that becomes public through no fault of the recipient, that was independently developed by the recipient or that was lawfully given to the recipient by a third party. The recipient of any Confidential Information will not disclose that, except to group companies, employees and/or professional advisors who need to know it and who have agreed in writing (or in the case of professional advisors are otherwise bound) to keep it confidential. The recipient will ensure that those people and entities: (a) use such Confidential Information only to exercise rights and fulfil obligations under this Agreement, and (b) keep such Confidential Information confidential. The recipient may also disclose Confidential Information when required by law after giving reasonable notice to the disclosure, such notice to be sufficient to give the disclosure the opportunity to seek confidential treatment, a protective order or similar remedies or relief prior to disclosure. Upon Google's written request, University will promptly return all Confidential Information and copies, or certify in writing that it has destroyed all such materials.

4.2 **Data Protection.** "Data Protection Law" means: (a) any relevant and applicable data protection legislation or regulations; and (b) each party's privacy policy as in force from time to time. Both parties shall ensure that they comply with all Data Protection Law regarding data derived from the Program at all times.

- (i) All data collected by University shall be owned by University.
- (ii) All data collected by Google shall be owned by Google.

5. **Intellectual Property.**

5.1 **"Intellectual Property Right(s)"** means all patent rights, copyrights, trademark rights, rights in trade secrets (if any), design rights, database rights, domain name rights, moral rights, and any other intellectual property rights (registered or unregistered) throughout the world. **"Background IP"** means all Intellectual Property owned or licensed by a party (a) before the Effective Date of this Agreement; or (b) independent of this Agreement.

5.2 Except for the any license rights which might be specifically granted hereunder, neither party will own or acquire any right, title, or interest to the other party's Background IP under this Agreement. All Intellectual Property Rights comprised, subsisting or developed in conjunction with or as a result of a Google Solution (including without limitation, any materials, documents, data, hardware and software provided by Google) shall vest in and belong absolutely to Google.

5.3 Without limitation, any use by University of Google's Trademarks (whether in relation to the Program or otherwise), is subject to Google's prior written consent. University agrees to notify Google of any unauthorized use of the Google Trademarks by others promptly as it comes to University's attention. University will not take any action which may suggest or imply that Google has endorsed University, the Program or any product or service of University, or that there is any connection or relationship between Google and University.

For purposes of this Agreement, "Google Trademarks" means all Google brand designations, including without limitation names, marks, logos and trade dress, and any other brand designations used by Google in connection with Google's products and services. University acknowledges that Google owns and controls the Google Trademarks and University agrees that it will do nothing inconsistent with such ownership and that all use of the Google Trademarks by University will inure to the benefit of Google. University agrees to assist Google, if necessary, in recording, maintaining, and enforcing Google's rights with appropriate government authorities. University agrees that nothing in this Agreement will give University any right, title or interest in the Google Trademarks other than the right to use the Google Trademarks in accordance with this Agreement, and University agrees that it will not challenge the title of Google to the Google Trademarks, challenge the validity of this Google's right to grant this permission, or make any use of any element of the Google Trademarks or otherwise copy or exploit the Google Trademarks during or after the Term except as specifically authorized herein. University further agrees to abide by the Guidelines for

Third Party Use of Google Trademarks, located on the World Wide Web at <http://www.google.com/permissions/trademarks.html>. The following legend must appear in materials where Google's Trademarks are used in an appropriate location on such materials, with the sole exception of materials of such a small size that displaying the following legend would not be feasible:

"Google and Google logos are trademarks or registered trademarks of Google Inc. in the U.S. and other countries and are used with permission."

University agrees to cooperate with Google in facilitating Google's control of the Google Trademarks, to permit reasonable monitoring and inspection of University's uses of the Google Trademarks, and to supply Google with specimens of all uses of the Google Trademarks upon request.

6. NO PUBLICITY

- 6.1 University will not issue any public statements or promotional materials or make reference to the collaboration hereunder or Google Course, nor disclose the existence of this Agreement or its terms without Google's prior written consent and approval.
- 6.2 With Google's prior written consent, University will be entitled to disclose the existence and nature of this Agreement, but not its terms, to suppliers or third party service providers of University.

7. WARRANTIES & INDEMNITY

- 7.1 University warrants that:
- (i) all information provided by or on behalf of University in connection with this Agreement is true, complete and accurate; and
 - (ii) it is not subject to any contractual or other restriction imposed by its own or any other organisation's rules or regulations or otherwise which may conflict or prevent its compliance with this Agreement.
- 7.2 As between the parties, no conditions, warranties or other terms (including any implied terms as to satisfactory quality, fitness for purpose or conformance with description) apply to any equipment, hardware, software, applications or services ("Program Materials") purchased by or for University under this Agreement. Google shall have no liability to University arising out of the purchase or use by University of any Program Materials. University shall indemnify Google against all liabilities arising out of any claim against Google in relation to the purchase or use of Program Materials by University.

8. LIMITATION OF LIABILITY

- 8.1 Nothing in this Agreement will exclude or limit either party's liability for:
- (i) death or personal injury resulting from its negligence or the negligence of its employees or agents;
 - (ii) fraud or fraudulent misrepresentation;
 - (iii) breach of any implied condition as to title or quiet enjoyment;
 - (iv) breach of indemnity;
 - (v) misuse of Confidential Information; or
 - (vi) payment of sums properly due and owing to the other in the course of normal performance of this Agreement.

- 8.2 Subject to Clause 6.1, neither party shall have any liability to the other (whether in contract, tort or otherwise) for any special, indirect or consequential losses (whether or not such losses were within the contemplation of the parties at the date of this Agreement) suffered or incurred by the other party.
- 8.3 Subject to Clauses 6.1 and 6.2, each party's total aggregate liability under this Agreement (whether in contract, tort or otherwise) shall be limited to 50,000 USD (or the local currency equivalent).

9. NON-EXCLUSIVE RELATIONSHIP

- 9.1 Nothing in this Agreement shall prevent or restrict either party's ability to enter into other similar programs or campaigns with other parties.
- 9.2 Nothing in this Agreement shall prevent or restrict either party's ability to market its own services independently of this Program, provided it does not use the other party's Trademarks, name or branding (and in the case of University, provided that it does not use any Google Solution without Google's prior written consent).

10. GENERAL

- 10.1 Notices. All notices of termination or breach must be in writing and addressed to the other party's Legal Department. The email address for notices being sent to Google's Legal Department is legal-notices@google.com. All other notices must be in English, in writing and addressed to the other party's primary contact. Notice will be treated as given on receipt, as verified by written or automated receipt or by electronic log (as applicable).
- 10.2 Assignment. Neither party may assign any part of this Agreement without the written consent of the other, except to an affiliate where: (a) the assignee has agreed in writing to be bound by the terms of this Agreement; (b) the assigning party remains liable for obligations under the Agreement if the assignee defaults on them; and (c) the assigning party has notified the other party of the assignment; provided that Google may assign any of its rights and obligations hereunder to its affiliate upon notice to University. Any other attempt to assign is void.
- 10.3 Change of Control. If a party experiences a change of control (for example, through a stock purchase or sale, merger, or other form of corporate transaction): (a) that party will give written notice to the other party within 30 days after the change of control, and (b) the other party may immediately terminate this Agreement any time between the change of control and 30 days after it receives that written notice.
- 10.4 Subcontracting. Either party may subcontract any of its obligations under this Agreement, without the written consent of the other. The subcontracting party will remain liable for all subcontracted obligations and all acts or omissions of its subcontractors.
- 10.5 Force Majeure. Neither party will be liable for failure or delay in performance to the extent caused by circumstances beyond its reasonable control.
- 10.6 No Waiver. Neither party will be treated as having waived any rights by not exercising (or delaying the exercise of) any rights under this Agreement.
- 10.7 No Agency. This Agreement does not create any agency, partnership or joint venture between the parties. Both parties are independent of each other and this Agreement in no way constitutes any form of employment by either Party of the other Party and/or its employees or agents.

A handwritten signature in blue ink, appearing to be "S. Atap".

- 10.8 No Third Party Beneficiaries. This Agreement does not confer any benefits on any third party unless it expressly states that it does.
- 10.9 Counterparts. The parties may execute this Agreement in counterparts, including facsimile, PDF, and other electronic copies, which taken together will constitute one instrument.
- 10.10 Amendments. Any amendment must be in writing, signed by both parties, and expressly state that it is amending this Agreement.
- 10.11 Entire Agreement. Subject to clause 10.1(b), this Agreement supersedes all other agreements between the parties relating to its subject matter.
- 10.12 Severability. If any term (or part of a term) of this Agreement is invalid, illegal or unenforceable, the rest of the Agreement will remain in effect.
- 10.13 Governing Law. This Agreement is governed by California law, excluding California's choice of law rules. FOR ANY DISPUTE ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE PARTIES CONSENT TO PERSONAL JURISDICTION IN, AND THE EXCLUSIVE VENUE OF, THE COURTS IN SANTA CLARA COUNTY, CALIFORNIA.

GVK BIO Sciences Pvt. Ltd.

GVK BIO is a global Contract Research & Development Organization (CRDO) providing Drug Discovery and Development services to the biopharma industry. Established in 2001, GVK BIO for over 18 years has supported the Research and Development programs of innovator drug companies enabling them to bring their products to market quicker and cost-effectively.

We are a team of over 2000 highly qualified scientists, backed by well-defined and scalable processes, modern facilities and a strong customer-centric partnering approach. Our distinctiveness comes from our expertise in the breadth and depth of services that we provide in drug discovery and development. We recognize that our clients' needs are diverse, and we have designed our services accordingly. GVK BIO's capabilities include Integrated Drug Discovery, Chemistry, Biology, Large molecule R&D, Chemical Development, Formulation & Analytical development, Contract Manufacturing and Drug Repurposing.

Spread across 55 acres of land, GVK BIO has 6 state-of-the-art research facilities, 5 in India and one in Morgan Hill, California. All our facilities conform to stringent regulatory standards. Our infrastructure has a built-up area of 1,200,000 square feet, housing chemistry & biology labs, AAALAC accredited animal house, analytical labs, formulation development labs, kilo labs, pilot plants and manufacturing facilities. GVK BIO has been inspected by all the leading regulatory agencies of the world including USFDA, WHO, PMDA, EDQM and EMEA. In 2014, GVK BIO acquired Aragen Bioscience, Inc., a US-based preclinical CRO specializing in biologics services, thereby enabling clients access an integrated R&D services platform across both large and small molecules.

GVK BIO recognizes its commitment to the community in which it operates through its Corporate Social Responsibility initiatives. We reach out to underserved communities and work towards making a meaningful difference to them. GVK BIO's CSR programs are focused on education, health, environment and women empowerment. GVK BIO is one of Asia's leading Contract Research Organization. GVK BIO started operations in 2001 in Hyderabad, India and has in fifteen years grown to 2500+ employees adding multiple locations in India including Hyderabad, Chennai, Bangalore and Gurgaon (near New Delhi).

About M M (Deemed to be University)

Maharishi Markandeshwar (Deemed to be University) is a leading University has been accredited by NAAC as Grade "A" which has become a symbol of quality education in technical, medical and other professional streams. Since its inception, the University is committed to excel in research, innovation and skill development. Academic institutes vary widely in both quality and innovation; among the best on both counts undoubtedly is MM College of Pharmacy.

MMCP was established in 2005 under the patronage of Maharishi Markandeshwar Trust with objective of providing academic excellence, upholding and maintaining skill based values. Today MMCP is a holistic based provider of education of global dimension and has been shaping the aptitude & aspirations of bright young generation. It holds sound credentials and is constantly making endeavours to scale new heights by developing synergy between graduate studies, research programmes and Pharmaceutical Industry. It has a solid foundation in the field of Science and Technology and got 41 ranked in top 50 pharmacy colleges in India by NIRF-2019, Ministry of Human Resource Development, Government of India, Recognised by Department of Scientific and Industrial Research (DSIR), Govt. of India as Scientific and Industrial Research Organization (SIRO), Empanelled with Indian Council for Cultural Relations (ICCR). M M (Deemed to be University) (M M College of Pharmacy) has been approved as training center by Life Sciences Sector Skill Development Council (LSSSDC), NSDC and Government of India. The value-added and career-focused programmes offered by MMCP are B Pharmacy, B. Pharmacy (Lateral Entry), M. Pharm (Pharmacology), (Pharmaceutical Quality Assurance), Pharm D, Pharm D (Post Baccalaureate) and PhD (Pharmaceutical Sciences). Today it has got all modern civic amenities and comforts and can boast strength of over 600 students supported by highly qualified trained and specialised team along with senior visiting fellows, adjunct faculty, emeritus professors, administrative staff, academic support staff and technician. Faculty are having ongoing projects from national and international funding agencies such as DST-FIST, UGC-SAP/CAS, DPE, DBT, ICSSR, and AICTE and receive grants.

MMCP has around 38 patents filed till date, two copyrights has been filed, out of which one has already been granted by Ministry of Human Resource Development, Department of higher education. DST Funded research project has also been taken up by our department in the current session which has added another feather in the cap. The Citation Index is in the range of 1-147/6.07. A number of distinctions are conferred on the faculty as they received awards/recognitions at the national and international level. Project Title: "Physiochemical and Pharmacological Factors Affecting Pharmacokinetics By taking at least One Compound from Each BCS Class".

Objective: Mr. Satish Kumar will evaluate the factors affecting pharmacokinetics of different BSC class compounds during the experimentation on academic and industrial level. This will provide us the perfect method of pharmacokinetic experimentations.

Project Work: We will evaluate the factors one by one as given below.

1. Difference between serial (Cannulated) and discreet (Non-Cannulated) sampling
2. Effect of Heparinized saline infusion during experimentation
3. Effect of body animal Body Weight and Age
4. Effect of Fed and Fasting in Oral
5. Effect of Dose Volume administered
6. Effect of Heparinized Saline Volume administered
7. Effect of Anti-coagulant used
8. Effect of Blood Volume taken Out during Experimentation
9. Effect of Different formulations

10. Effect of formulation pH
11. Effect of Gastric pH (Many more also can be included)

Conclusion: These studies will provide us the perfect method, which can be used for future NCE development at Academic and Industrial level.

Activities Conduction:

1. GVK Biosciences is full of facilities and Mr. Satish Kumar can conduct his experimentation (Project work) here.
2. Co-supervisors will be from GVK Biosciences.
3. Share the library and scientific literature facilities mutually by giving access to library and other resources of either institute to the supervisor/co-supervisor/ students.
4. The help rendered by GVK Biosciences Private Limited, Hyderabad and MM College of Pharmacy, MM (DU) will be properly acknowledged in the thesis and any research paper/other publication/award/patent emerging out of the research work carried out by the students with GVK Biosciences Private Limited, Hyderabad and MM College of Pharmacy, MM(DU) will be jointly shared.
5. The cost of the research work will be borne jointly as decided by investigators/ supervisor/co-supervisor/collaborator/ according to the research facilities provided

Background

Maharishi Markandeshwar University

Established under the aegis of the Maharishi Markandeshwar University Trust (erstwhile reputed Maharishi Markandeshwar Education Trust), the Maharishi Markandeshwar University, Mullana is ideally located in the 'tapobhoomi' of Maharishi Markandeya in the divested of sacred Markanda. Under the stewardship of its founder President and Chancellor Maharishi Shri Tarsen Garg, an eminent public figure, the Trust has scaled new heights with tremendous achievements. Beginning with the establishment of the first self financing Engineering College in private sector in the region of north India in 1995, its growth in the fields of Engineering & Technology, Medical Sciences, Dental Sciences, Nursing, Pharmaceutical Sciences, Business Management, Computer Science, Hotel Management, etc. have acquired the present status by continuously expanding its programmes in recognition of which in June 2007, it was conferred with the Deemed to be University status under Section 3 of the UGC Act, 1956 in the name of Maharishi Markandeshwar University, Mullana-Ambala as per its Statute. The University has been established with the addition of the Department of Health & Family Welfare, Ambala. The University is also a member of the Central Board of Secondary Education (CBSE) and the Council for Technical Education (CTE).

SAP® University Alliances Academic Educational Material Utilization Contract for Teaching Purposes

University Alliances Program Associate Membership

Between

SAP SE

Dietmar-Hopp-Allee 16
69190 Walldorf
Germany

And

(herein: SAP)

Maharishi Markandeshwar University
Mullana
133207, Ambala
India

(herein: Educational Institution)

SAP grants to Educational Institution the right to use SAP University Alliances Academic Educational Material (herein: SAP UA Academic Education Material) for teaching purposes only. SAP will provide access to the required SAP UA Academic Education Material that Educational Institution, as an Associate Member of University Alliances, may use in compliance with the restrictions agreed between SAP and Educational Institution in this contract.

This contract completely replaces all previous UA Academic Education Material utilization contracts that the parties have entered into together and such previous UA Academic Education Material Utilization contracts are of no effect.

Now therefore the parties agree as follows:

Article 1 Object of contract

- (1) The object of this contract is the right of Educational Institution, as an Associate Member of University Alliances, to use SAP UA Academic Education Material subject to the provisions of this contract.
- (2) SAP will make UA Academic Education Material available for Educational Institution's use through specified distribution channels.
- (3) This contract does not include any other goods, works, or services (for example UA Academic Education Material modifications, software licenses, installation, testing, or consulting), but their supply and provision may be agreed in a separate contract subject to SAP's general terms and conditions and list of prices and conditions.
- (4) The Educational Institution shall appoint, in writing, a dedicated contact person plus a deputy contact for the collaboration with SAP (name, title, role, postal address, e-mail address).

Article 2 Terms of Educational Institution's utilization of SAP UA Academic Education Material

- (1) Educational Institution's permitted use of SAP UA Academic Education Material is restricted to the purposes of teaching of and learning by students of Educational Institution, and internal training for teaching staff. Educational Institution must ensure that only sufficiently qualified teaching staff teach classes relating to SAP UA Academic Education Material.
- (2) No use of SAP UA Academic Education Material is permitted for any commercial purpose, including but not limited to use on or to prepare for any consulting project, any development project, any project to train third parties, or any operational application.
- (3) For the permitted purposes, Educational Institution is entitled to access to the SAP UA Academic Education Material for an unlimited number of users. Teaching staff are entitled to access SAP UA Academic Education Material from work centers outside of Educational Institution to prepare for their classes. Students are not entitled to access SAP UA Academic Education Material from work centers outside of Educational Institution except during a class using SAP UA Academic Education Material or for the purpose of creating academic works. Educational Institution must take its customary care to ensure that students access SAP UA Academic Education Material from work centers outside of Educational Institution only for the purposes permitted in this contract.
- (4) Educational Institution must not permit any third party to use the SAP UA Academic Education Material for any purpose whatsoever. Cooperative use by educational institutions in the SAP UA program is a permitted exception, provided each of the cooperating educational institutions has a license for the UA Academic Education Material used.
- (5) Teaching staff at educational institutions that are not members of the SAP UA program are excluded from use of the SAP UA Academic Education Material. Exceptions require SAP UA's written consent. Application should be made to SAP UA in written form.

Article 3 Title and rights

- (1) This contract does not assign to Educational Institution any copyright or other title to the SAP UA Academic Education Material by way of patent, trade secret, or otherwise.
- (2) Educational Institution, as an Associate Member of University Alliances, is permitted to use the SAP University Alliances Associate Member logo (herein, "UA Associate Member Logo") for the purposes of publications, presentations, own variants of the SAP UA Academic Education Material, web appearances and correspondence. Educational Institution's right to use the UA Associate Member Logo is automatically terminated if this contract is terminated under article 10 (2, 3). In addition, SAP has discretion to revoke the right of Educational Institution to use the UA Associate Member Logo at any time, by sending a written notice of revocation to Educational Institution. In the event that Educational Institution's right to use the UA Associate Member Logo is revoked, either by contract termination or by written notice being sent,

Educational Institution shall apply logo changes or remove the logo from any location where it is being used, within 90 days of the date of the notice of termination or notice of revocation. Educational Institution is not permitted to use or display any other logos of SAP, unless SAP gives its express permission in writing, in advance of any such use or display.

- (3) SAP is permitted to use the Educational Institution's name and logo for purposes of the SAP University Alliances Program only, e.g. in the UA Program member list. Any other use requires Educational Institution's written approval in advance. SAP's right to use the Educational Institution's logo is automatically terminated if this contract is terminated under article 10 (2, 3).

Article 4 Terms of Educational Institution's material utilization; Educational Institution's duties

- (1) Educational Institution will use the SAP UA Academic Education Material only for the purposes in article 2 (1). Classes may be officially listed in the curriculum with a tax-neutral reference to the relevant SAP UA Academic Education Material.
- (2) Educational Institution will record the use of the SAP UA Academic Education Material in conjunction with the corresponding lecture via the technical infrastructure provided by SAP latest at the end of the semester or lecture series where the SAP UA Academic Education Material has been utilized, as long as this doesn't harm the privacy of the users and / or copyrights of the users and / or Educational Institutions.
- (3) Educational Institution undertakes to use only the newest SAP UA Academic Education Material version offered via the various, outlined distribution channels.
- (4) In the context of its teaching work, Educational Institution may refer to SAP and SAP products. Educational Institution must not remove, alter, or otherwise render unrecognizable any SAP trademark, notably the SAP logo, from or on SAP material or UA Academic Education Material. The SAP trademark license agreement current at the time of contract must be observed.
- (5) Educational Institution must at all times have enough nominated qualified contacts who have adequate knowledge to ensure that the educational prerequisites are in place at the Educational Institution for the SAP UA Academic Education Material to be used to proper effect (for example, teaching programs and materials created, student learning supported, service tickets accepted and processed).
- (6) Educational Institution must ensure that all students and teaching staff using the SAP UA Academic Education Material are notified of the provisions of this contract as necessary.
- (7) Educational Institution undertakes to participate in regular surveys conducted by SAP. The purpose of the surveys is the collection of statistics regarding utilization of SAP UA Academic Education Material and shall help to improve the quality of the material and of the supporting processes. In case Educational Institution is not participating in these surveys more than 3 (three) times in a row, SAP shall have the right to terminate the contract according to article 10 (3).

Article 5 Training courses

- (1) SAP, at its own discretion, may provide suitable training material, in a form of SAP's choosing (e.g. recorded tutorials, documents or other) for Educational Institution's permanent employees on the SAP UA Academic Education Material covered in this contract.

Article 6 Remuneration

- (1) Provided Educational Institution complies with its duties in article 4, no remuneration is payable to SAP in consideration of the SAP UA Academic Education Material utilization.

Article 7 Agreement with SAP UCC

– NOT APPLICABLE

Article 8 Hardware; Software; Database management system

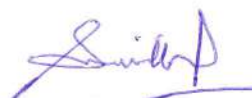

– NOT APPLICABLE

Article 9 Reviews

- (1) SAP UA and Educational Institution may conduct reviews together to improve cooperation. The purpose of the reviews is to assess together the progress of cooperation between Educational Institution and SAP. To this end Educational Institution will prepare a curriculum overview with the following information: user organizations (departments, schools, and so on, of Educational Institution); teaching staff; classes (title, topics, number of teaching units per semester); number of participants in the class. Educational Institution and SAP UA will use the review to determine how their work together should proceed. Educational Institution undertakes to participate in such a review at SAP's request with not less than two months' advance notification.
- (2) SAP may request from Educational Institution a curriculum overview as described in article 9 (1). Educational Institution must then provide it to SAP in writing within two months.

Article 10 Delivery date, term, and termination

- (1) Educational Institution should agree the delivery date with the appropriate SAP UA representative separately.
- (2) This contract comes into force when signed and extends for an initial term of 12 months. Thereafter it extends from year to year unless terminated by either of the parties' giving six months' written notice to the other.
- (3) In addition to the rights of termination set forth in article 10 (2), this contract may be terminated immediately by either party for cause upon the event that the other party commits a breach of any of its material obligations under this contract and fails to cure such breach within thirty (30) calendar days after written notice thereof from the non-breaching party, or commits a material breach which is incapable of cure.

- (4) From the time termination notice takes effect, Educational Institution is not entitled to offer classes or other services relating to the SAP UA Academic Education Material for the next semester. Educational Institution is entitled to continue to their conclusion on the terms of this license classes running at the time of termination notice and examinations relating to them.
- (5) Termination notice must be in written form.
- (6) At the end of the contract validity, Educational Institution must return all delivered goods and copies of SAP UA Academic Education Material received from SAP.

Article 11 Warranty

- (1) SAP will not provide any warranty service.

Article 12 Maintenance

- (1) Contrary provisions in the GTC, section 10, notwithstanding, SAP will not provide any maintenance service under this contract.
- (2) This contract does not give Educational Institution any right to updates of the SAP UA Academic Education Material to be created and published by SAP UA. Educational Institution is free to request such an update, and SAP has the discretion to approve or deny such requests. Where SAP agrees or otherwise chooses to develop an update to SAP UA Academic Education Material, SAP will be the sole developer of said update and will be the sole and exclusive owner of all updated material and all interim drafts, final versions and other work product developed as part of the update process.

Article 13 Liability

- (1) The Educational Institution has the sole responsibility for material modifications and variants created by the Educational Institution in courses, and SAP herewith excludes any liability and warranty in connection with the Educational Institution's modifications and variants of the UA Academic Education Material. Educational Institution shall communicate problems to SAP precisely and comprehensibly.
- (2) Other than that, SAP nor the university is liable except in cases of intent or gross negligence. This does not affect liability in product liability law.

Article 14 Terms and conditions

- (1) In the event of any conflict between the English and other language versions, the English version shall prevail.

Texas Instruments University Program

The TI University Program is the intersection between TI technology, educators and the engineers of tomorrow. Our advanced analog and embedded processing technologies fuel the passions of students and educators in university labs worldwide. Established in 1982, the TI University Program is a global program dedicated to supporting educators, researchers and students in facilitating the inclusion of TI analog and embedded processing in engineering classrooms, teaching and research labs, textbooks, design projects and course curriculum. By building relationships with educators, TI works to bridge the gap between the business and academic world. Incorporating TI technology into curriculum provides educators with the ability to teach real world concepts and complement this with a unique hands-on learning experience utilizing TI tools, making it more exciting, relevant and valuable to the student. Working with TI increases the knowledge base of future engineers so they interact with industry-standard technology before they graduate. TI helps develop the skills needed to tackle tomorrow's most challenging problems. By providing students access to the largest and most advanced analog and embedded processing portfolio, the TI University Program provides the tools necessary to inspire innovation and take engineering concepts from the book to the breadboard.

1. Contribution and Expectation of EdGate Technologies under Texas Instruments India University Program

EdGate Technologies has confirmed their support for setting up the **Texas Instruments Innovation Center** by donation of below tools. This will enable young students to learn, program and innovate on Analog System Design and Internet of Things (IoT).

Exhibit A: Software Development BTech Program

A.1 SCOPE OF WORK.

MMU will engage with CR for launching a new B. Tech. Computer Science and Engineering (CSE) Program with specialization in Software Development (SD Program) designed, customized and delivered using CR's unique immersive, project-based, story-centered learn-by-doing approach. The Program shall be designed and developed by CR outside the Territory as defined in Clause 1 of this Agreement.

a. The objectives of the SD Program are:

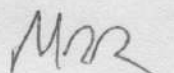

- Producing job-ready graduates as measured by:
 - The graduate's provable demonstration of ability to produce professional deliverables in a quality and timely manner as evaluated by the Program's faculty.
 - The graduate's provable acquisition of professional knowledge, technical skills, soft skills, behavior skills and experience necessary for placing in better starting/paying jobs.
 - The hiring company's feedback on the quality of MMU's SD Program graduates.
- Transitioning Program delivery and continuous improvement to MMU faculty and administration within six (6) academic years of the first course delivery.
- Transformation of the faculty and administration from the traditional way of teaching to CR's project based learning methodology.
- Acquiring NBA accreditation within 6 years of the launch of the new program.
- Acquiring ABET accreditation within 8 years of the launch of the new program.
- Attracting foreign Students and faculty to the campus, helping create a benchmark in the Territory for the quality and productivity of Program graduates.
- To be a sustainable venture for both CR and MMU within the first five (5) years of operation.

b. MMU shall conduct the CR SD Program at the Mullana campus only.

A.2 PRODUCT DESCRIPTION. Following is a list of the SD Program artifacts and services to be delivered by CR to MMU as part of this Agreement:

a. Program:

- A Program Architecture Specification aligning the publicly documented mission, goals, and objectives of the university and the SD BTech Program.

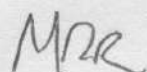

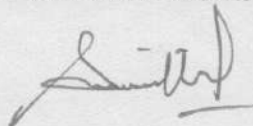

- b. Courses (see program layout in Section A.7). An ABET-ready software development BTech curriculum comprising:
- 28 courses
 - One 2-semester (Spring and Summer) Simulated Internship
 - Three 3-course elective sequences:
 - Mobile Applications
 - Data Analytics
 - Project Management
- c. For each course CR shall provide:
- A Course Design Specification.
 - All course content, accessible to both faculty and students, on CR's cloud-based Learning Management System (LMS).
 - Instructor's Guide, including rubrics and exemplars for each student assignment.
- d. A detailed project plan for achieving Program success, including ABET accreditation
- e. Assist the faculty to develop and implement the processes, measurement protocols, analysis methods, and leadership guidance necessary to achieve ABET accreditation by the end of year 8.
- f. Design and conduct Program training for faculty, administration and other Programme stakeholders
- g. Remote certification of faculty to teach independently using the CR pedagogy.
- h. Complete transition of Program execution and delivery to MMU resources by the end of year 6.
- i. Assist the faculty in adoption of a continuous improvement program starting year 1.
- j. Resolve technical and non-technical issues, provide annual program maintenance (for 10 years) and provide Programme enhancements as mutually agreed on during the first 8 years.
- k. All of the above services shall be rendered by CR from outside the Territory as defined in Clause 1 of this Agreement.

A.3 **TERM.** The Term for the Computer Science BTech Program project is 15 years, commencing on the date of this Agreement and continuing until the final payout is made as defined in Section A.8.

A.4 **RESPONSIBILITIES.**

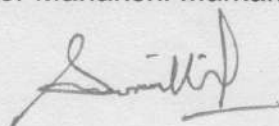

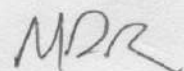

- a. Aligning with the publicly documented mission, goals, and objectives of the university and program, for this SD Program MMU shall be responsible for:
- Accruing paying Students through Program marketing.

- Enrollment fee collection and reporting to CR.
 - Making adequate and appropriate building and technology infrastructure and resources available (faculty and admin support) to execute the program.
 - Acquiring local and national permissions and accreditations to execute the program and complying with all applicable laws to ensure that the Program can be conducted and completed during the Term of this Agreement in accordance with provision of this Agreement.
 - Introducing CR to corporate partners and participating in interviews with the partners to gather Program requirements and feedback.
 - Providing placement support services to Students.
 - Following any/all processes established by CR, including writing the ABET Self Study (under the guidance and supervision of CR).
- b. Aligning with the publicly documented mission, goals, and objectives of the university and program, for this SD Program CR shall be responsible for:
- Developing a detailed project plan for achieving Program success, including ABET accreditation
 - Providing an ABET-ready Software Development BTech Program curriculum
 - Providing access to all SD Program content, assessments and any other support material required to run the program for Students and faculty through CR's Learning Management System (LMS).
 - Establishing the processes, measurement protocols, analysis methods, and leadership guidance necessary to achieve ABET accreditation by the end of year 8.
 - Designing training programs for faculty, administration and other Program stakeholders
 - Providing faculty certification that designates the completion of faculty training and the observed (by CR experts) ability of each faculty to properly conduct the course in compliance with documented processes, methods, and procedures independently.
 - Completing execution and delivery of the SD Program for the first batch starting their academic year in July 2017.
 - Completing transition of SD Program administration and delivery to MMU resources by the end of academic year 6.
 - Providing SD Program continuous improvement auditing starting year 1.

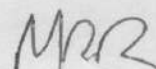

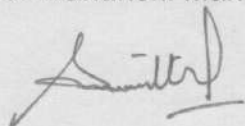

A.5 SD PROGRAM EARLY TERMINATION

- a. Neither Party is permitted to terminate the agreement before 15.09.2019 except in the event of material breach of the Agreement by the other Party. Both parties agree that sincere efforts shall be made to recruit students in the SD Program and academic deliverables shall be made with utmost quality. A

joint review shall be held immediately after 15.09.2019 to consider whether the program should be discontinued because of low response or otherwise.

- b. Early Termination (Year 3): Either MMU or CR may terminate the Program, in writing, after the close of admission in 3rd year (by 30th September 2019) by giving thirty (30) days notice prior to expiry of the 3rd year. If either MMU or CR terminate the Program in year 3 the following actions will be taken:
- No new Students shall be accepted for admission to the program after the termination date.
 - The entire Program curriculum shall be available to MMU on the CR LMS till the 3rd batch passes out.
 - After 3rd batch graduates then MMU agrees to stop using CR program content and all Intellectual Property belonging to CR and to return any Confidential Information to CR.
 - ABET work by CR will stop immediately upon termination.
 - MMU will pay to CR:
 - Minimum of USD \$297,000 unless a higher CR Course Fee payment is warranted based on Year 1's actual Enrollment Fees and percentage established in Section A.8.
 - Year 2: Minimum of USD \$322,000 unless a higher CR Course Fee payment is warranted based on Year 2's actual Enrollment Fees and percentage established in Section A.8..
 - For Years 3-6: Pro-rata basis per actual enrollments and annual percentage established in Section A.8.
- c. Subsequent termination (Years 4-15): Either MMU or CR may terminate the Program, in writing, after the close of admission in any year (by 30th September), by giving thirty (30) days prior notice.
- If MMU terminates the program after year 3 the following actions will be taken:
 - CR will ensure that MMU faculty can teach current batches to successful graduation.
 - CR shall make available the study scheme and curriculum for the entire program and allow the use of LMS till the last currently admitted batch passes out.
 - No new Students shall be accepted for admission to the program after the termination date.
 - After last currently admitted batch graduates then MMU agrees to stop using the Program content and any Intellectual Property belonging to CR and to return any Confidential Information to CR .
 - ABET work by CR will stop immediately upon termination.
 - Based on the year of termination MMU will have paid and will pay to CR:

- Minimum of USD \$297,000 unless a higher CR Course Fee payment is warranted based on Year 1's actual Enrollment Fees and percentage established in Section A.8.
 - Year 2: Minimum of USD \$322,000 unless a higher CR Course Fee payment is warranted based on Year 2's actual Enrollment Fees and percentage established in Section A.8..
 - Years 3- 10: Pro-rata basis per actual Enrollment Fees and percentage established in Section A.8.
 - Year 10: A minimum of USD \$ 9.5 million dollars, excluding taxes and minus the amount already paid to CR.
 - Years 11 - 15: 5% of Enrollment Fees per annum.
- If CR terminates the program after year 3 the following actions will be taken:
 - CR will ensure that MMU faculty can teach the admitted students to successful graduation.
 - The entire program curriculum shall be made available to MMU on CR LMS till the last batch passes out.
 - After last currently admitted batch graduates then MMU agrees to stop using CR program content and all Intellectual Property belonging to CR and to return any Confidential Information to CR.
 - ABET work will stop if termination is made before completion of 5-years.
 - CR shall be paid 26% of actual Program Enrollment Fees for first ten years in total by adjusting the payment already released.
- d. Termination under special circumstances:
- Notwithstanding the provisions of the preceding sub-clauses of this Clause the Parties may immediately terminate the Agreement by giving 45 calendar days written notice of termination to the other Party if any Party:
 - becomes bankrupt, insolvent, under administration or an externally administered body corporate; or
 - is convicted of a criminal offence; or
 - carries out its obligations and responsibilities under this Agreement in a way that endangers public health or safety; or
 - is fraudulent in connection with the performance of obligations and responsibilities under this Agreement; or
 - is in breach of its obligations under this Agreement and such breach is not cured to the satisfaction of the non defaulting party within 30 days of notice of the same.

- The student is responsible for obtaining his/her own visas and abiding by the conditions of the visa the student holds for studies at the Host Institution.
- The student is responsible for ensuring that they hold appropriate insurance cover for the duration of the period of their program at the Host Institution, and any associated period of travel or stay in the host country.
- Participation by the student in the program covered by this Agreement must be conducted in accordance with the policies, rules and regulations applicable to each Institution.
- The Host Institution may terminate the participation of any student with immediate effect in the event of a serious breach of such laws, policies rules and regulations.

OTHER REQUIREMENTS

ACCOMMODATION

- Both Institutions will assume responsibility for assisting students to find appropriate accommodation either on or off campus.
- Students shall normally pay all accommodation expenses, including application fees, direct to the appropriate residence or accommodation office unless an invoicing arrangement with the Home Institution has been agreed upon, in writing.

GENERAL

An absence of students for an academic year does not affect the operation of the Agreement.
All revisions and/or modifications to this Agreement must be agreed between the Parties in writing.

PRIVACY

The Parties acknowledge that both institutions may be subject to various privacy, freedom of information and public records laws, and agree to co-operate and provide all necessary assistance within the legal requirements of each country in order to comply with these legal obligations.

DISPUTE RESOLUTION

J. Moser

As a general principle, the Parties shall work cooperatively to resolve any disputes that may arise from this Agreement. With respect to any suit, action or proceeding arising out of or related to this Agreement: when the event or incident forming the subject of the proceedings occurred in the Host Institution's Country, this Agreement will be governed by the laws of the Host Institution's country and both Parties submit to the exclusive jurisdiction of the courts of that country.
