OFFICE OF THE GENERAL MANAGER TELECOM DISTRICT, AMBALA

No: GMTD/AB/EB/MM NKN/2018-19/14

Dated : 24.09.2020

To

The Chairman
M.M.Trust, Mullana
Ambala

Sub: Proposal for 1 Gbps Internet Leased line (1:1) connectivity at MM (Deemed to be University), Mullana.

Dear Sir,

BSNL is 100% Govt. of India CPSE working under administrative control of Department of telecommunication. BSNL is offering total Telecom solutions for data services (MPLS VPN, Internet leased line, IDC etc.). All the policies, guidelines & tariffs are fully governed in accordance with Govt. of India. Therefore, one can fully rely on BSNL for security, secrecy, transparency, quality and cost-effective measure services.

With reference to the meeting held on dated: 22.09.2020 with Chief Manager Purchase, Sh.P.K.Aggarwal, it is submitted that NKN connectivity is working at MM (Deemed to be University), Mullana under NMEICT Project. As per the terms and conditions of the project, the NKN connectivity was provided for 10 years and that is going to be completed on dated: 31.03.2021. Next bill is due in March, 2021. As per your request for discount in meeting and MM (Deemed to be University), Mullana being an esteemed customer, BSNL has considered your request and offering a handsome discount on standard card rate of dedicated 1 Gbps Internet leased line (1:1) connectivity. Details of charges are as given below:

Standard Card rate for 1 Gbps ILL (1:1) per annum in Rs.	Discounted Rate for 1 Gbps ILL (1:1) per annum in Rs.	Total Rate per annum with GST@18%
3800000	1757242	2073546

BSNL has vast optical fiber cable network of more than 10 Lakhs KM across India in comparison to other private operators. Other operators are not providing the dedicated 1:1 (Equal Download and Upload Speed) Bandwidth round the clock and they keep track and regular surveillance on Bandwidth Utilization by customer and may divert the Bandwidth to other customers when Bandwidth is not in use. Initially for few days they may give full Bandwidth and later on provide the shared Bandwidth to customer end. So, BSNL being a Government Organization will always provide the Fully Dedicated Bandwidth as desired by the Customer round the clock through World Class State of art Highly Redundant, Reliable and Secure National Internet Backbone Network. BSNL also has ISO 9001:2015 certified MPLS backbone network to provide Internet Lease line, MPLS services with high security, transparency and quality services.

It is, therefore, requested to give opportunity to BSNL for provisioning of 1 Gbps (1:1) ILL connectivity at MM (Deemed to be University), Mullana.

Looking forward for your kind consideration of above proposal and assuring you of our Best services please.

Dated 31-03-2016

To,
The General Manager (TD)
Bharat Sanchar Nigam Limited
Ambala

Ref: - Our Letter dated 02-05-2015 for payment of **4th Annual Instalment of 1GBPS Link to M.M. University, Mullana (Ambala)**.

Subject: - Your Reminder II dated 09-12-2015 with regard to non-receipt of 5th Annual Instalment of Rs. 10, 31,465/- including service tax and surcharge.

Dear Sir,

Kindly refer to our letter dated 02-05-2015, in which we have clearly mentioned that we will pay the 5th Instalment only after our 18th months of "non-performance issue" is resolved, reference our letter dated 30-09-2014 & 16-05-2014 (Copies of all these letters are attached)

However we have not received any communication from you end except your reminders for payment of the 5th annual Instalment.

It is therefore clear that you have accepted our point of view & the demand for 18th months of deficiency in service due to non-performance on part of BSNL, for which we had only asked for 18th Months deferment of the instalments.

Therefore the 5th and last instalment should have been payable by Dec. 2016, by us. However still in the best of accounting practice & to resolve all the issues once for and all i.e. no late payment charges will accrue to us or will be payable to us and the payment for the last and the final 5th instalment by us will be considered to be full and final settlement, towards the Circuit 171#00001/45/172#MMU Mullana -NKN for Rs. 45, 00,000.00 Plus Taxes (which was payable in five instalments).

Hence the full and final settlement, vide our cheque no. 477296 for Rs. 9, 91,015/- dated 28-03-2016 drawn on OBC (PAYABLE AT ALL CBS BRANCHES) i.e. Rs. 10,11,240/- Less excess payment made i.e. for Rs. 20,225/- = Rs. 9,91,015/- is enclosed.
