**NO. MMIMSR/20/473**

**Date : 24.2.2020**

Minutes of meeting of Anti Ragging Committee of M.M. Institute of Medical Sciences & Research (MMIMS&R) Mullana held on 18.2.2020 at 3.00pm in Principal office.

On the receipt of information about a complaint **case name PZD617**, by email with **Ref. No.ARCC/HR-6343** dated 17.2.2020 and informed by the Principal, MM Institute of Physiotherapy & Rehabilitation(MMIPR), an urgent meeting of Anti Ragging committee was called on 18.2.2020 at 3.00pm:-

- 1 **Verbal statement of the victim & culprits:-** Victim , Rakshya Pariyar, B.Ph.T student of MMIPR and Culprits :- Pooja & Archana, B.Sc.Optomtry students of MMIMSR statements were taken in front of the entire Anti Ragging Committee members. All the three students have been residing in a common room in the Hostel.

A) Victim statement:-

Rakshya stated that electricity bill has to be paid equally by all the room mates. However, she feels that Pooja uses some electrical appliances which consumes more electricity & increases the bill & she should pay more & subsequently, they had an argument with each other following which Rakshya yesterday complained on the helpline number of ARCC but after some time, she realized that this is different matter & wanted to withdraw the complaint so she called up again at the ARCC helpline number where she got a reply that the complaint has already been forwarded.

B) Culprits statement:-

Pooja Sah stated that she is not alone who uses electrical appliances, but Rakshya also uses such appliances and therefore, all of them should pay equally. But in any case her intention was not to harass her room mates with whom she has been staying all these days. She feels that her dialect is different from Rakshya and because of that sometimes misinterpretation and misunderstanding arises.

Archana stated that she came to Pooja's room after receiving her call and she told that she does not know about ragging and has not used any wrong words and had not shouted at Pooja's roommates.

## 2. Action taken by the Anti Ragging Committee of MMIMSR:-

The members of the committee have deliberated on the various aspects of the issue and suggested the following measures to be taken:-

- A) The victim & culprits are from different colleges & the matter appeared to be related to distribution of amount of electricity bill of the room in which they had been living rather than related to ragging. However, being senior Pooja has been advised that she should act like a mentor to Rakshya & if any other such case arises the matter can be taken to the warden or the class coordinators or the mentors or the Principal of the concerned College/Institute.
- B) Mr. Ajay Kaushik, Country Coordinator & the concerned mentors and teachers are requested to hold a counselling session with each of the students individually so as to have congenial environment among them..
- C) No case of ragging could be made as it is a case of personal financial matter related to electricity bill due to some misunderstandings and not at all a case of ragging.
- D) However, the matter was finally reconciled among all the three students amicably.
