### The following items were discussed:-

On receiving complaint from the anti-ragging portal, Mr. Aaditya Mahajan was identified by the Head of Department of Law, MM (DU) on 06.01.2022.

After enquiring the matter, it came to notice that Mr. Aditya Mahajan (BA,LLB. 2<sup>nd</sup> year) and Mr. Abhinav (B.Sc. Nursing 4<sup>th</sup> year) had some scuffle in the hostel over some personal matter. On investigation it was found that it was a not a matter of ragging. The victim Aaditya Mahajan, in heat of the moment sent a complaint on Anti-ragging Portal. Now he voluntarily gave in writing for withdrawal of his complaint as the matter does not pertain to ragging. Mr. Abhinav Lal, the accused submitted in writing that he entered in the hostel of victim Aaditya Mahajan and while talking entered into altercation. He tendered apology for this conduct and assured that he will not repeat the same in future.

Both the parties have also given affidavits that they will not repeat and indulge in any indisciplinary activity in future.

On the basis of enquires and investigation, it has been resolved that it was not an instance of ragging in any way and it was sort of misunderstanding between the students of both sides which amicably resolved.

### Following points emerged from the meeting:

1. Both the parties gave in writing that their problem has been settled amicably and assured that they would not indulge in such activities in future.
2. Head of the Department of Law, Principal of College of Nursing, Dean Academic Affairs, Dean Students Welfare, and all members of the anti ragging committee of Dept. of Law were also asked to remain vigilant to check against reoccurrences of any such incidences in the university in the future.
3. Since the victim himself has averred that it was not a case of ragging rather some sort of misunderstanding between them and the matter stood settled and victim has withdrawn his complaint, the matter stood closed.
