WEBINAR under Alumni Connect Series 2.0

A Webinar was organized by Department of Biotechnology dated 25 Nov 2021 at 5pm onwards under the umbrella of Alumni Connect Series 2.0. The Guest speaker Ms Shilpa Marwah, M.Tech Biotechnology Alumnus (2011-2013) delivered talk on Embryology and careers in Embryology. She currently holds position as Head Embryologist at Neelkanth Hospital, Gurgram.

She delivered about the development of the embryo from a fertilized egg cell. She also defined the role of embryology in understanding the congenital abnormalities and developing assisted reproduction procedures. The interactive session was fully supported by students and faculty members. The interaction resulted in developing Training program for our students and MOU for research and development.

Event Report

Name of the Event: Alumni Guest Lecture

Organizer's Name: Department of Law

Date of Event: 11th June, 2021

Venue: Microsoft Teams

Picture 1: A group picture of the participants with the guest speaker.

Details of Event

No. Of Participants : 103
 Guest Lecture Topic : "Career Guidance and Opportunities for law students"
 Guest Name : Abhimanyu Kaushik
 Company : New Way to Sainik School
 Designation : Director
 Passout Year : 2016
 (If Alumni)

Event Description:

An interactive session with our alumni, Mr. Abhimanyu Kaushik on "Career Guidance and Opportunities for law students." The vision of the session is to guide the 1st year students how to manage time well with their studies and career goals, and also, informing them about various opportunities that will come their way as law graduates.

Outcome:

The webinar was attended by 103 students and faculty members. The speaker shared his experience as a law student and informed the students about various opportunities that will come their way once they graduate. Once the speaker concluded his lecture, an interactive session took place between the speaker and the students

Event Report

Name of the Event: Alumni Guest Lecture “Transiting Planets around M-Dwarfs”

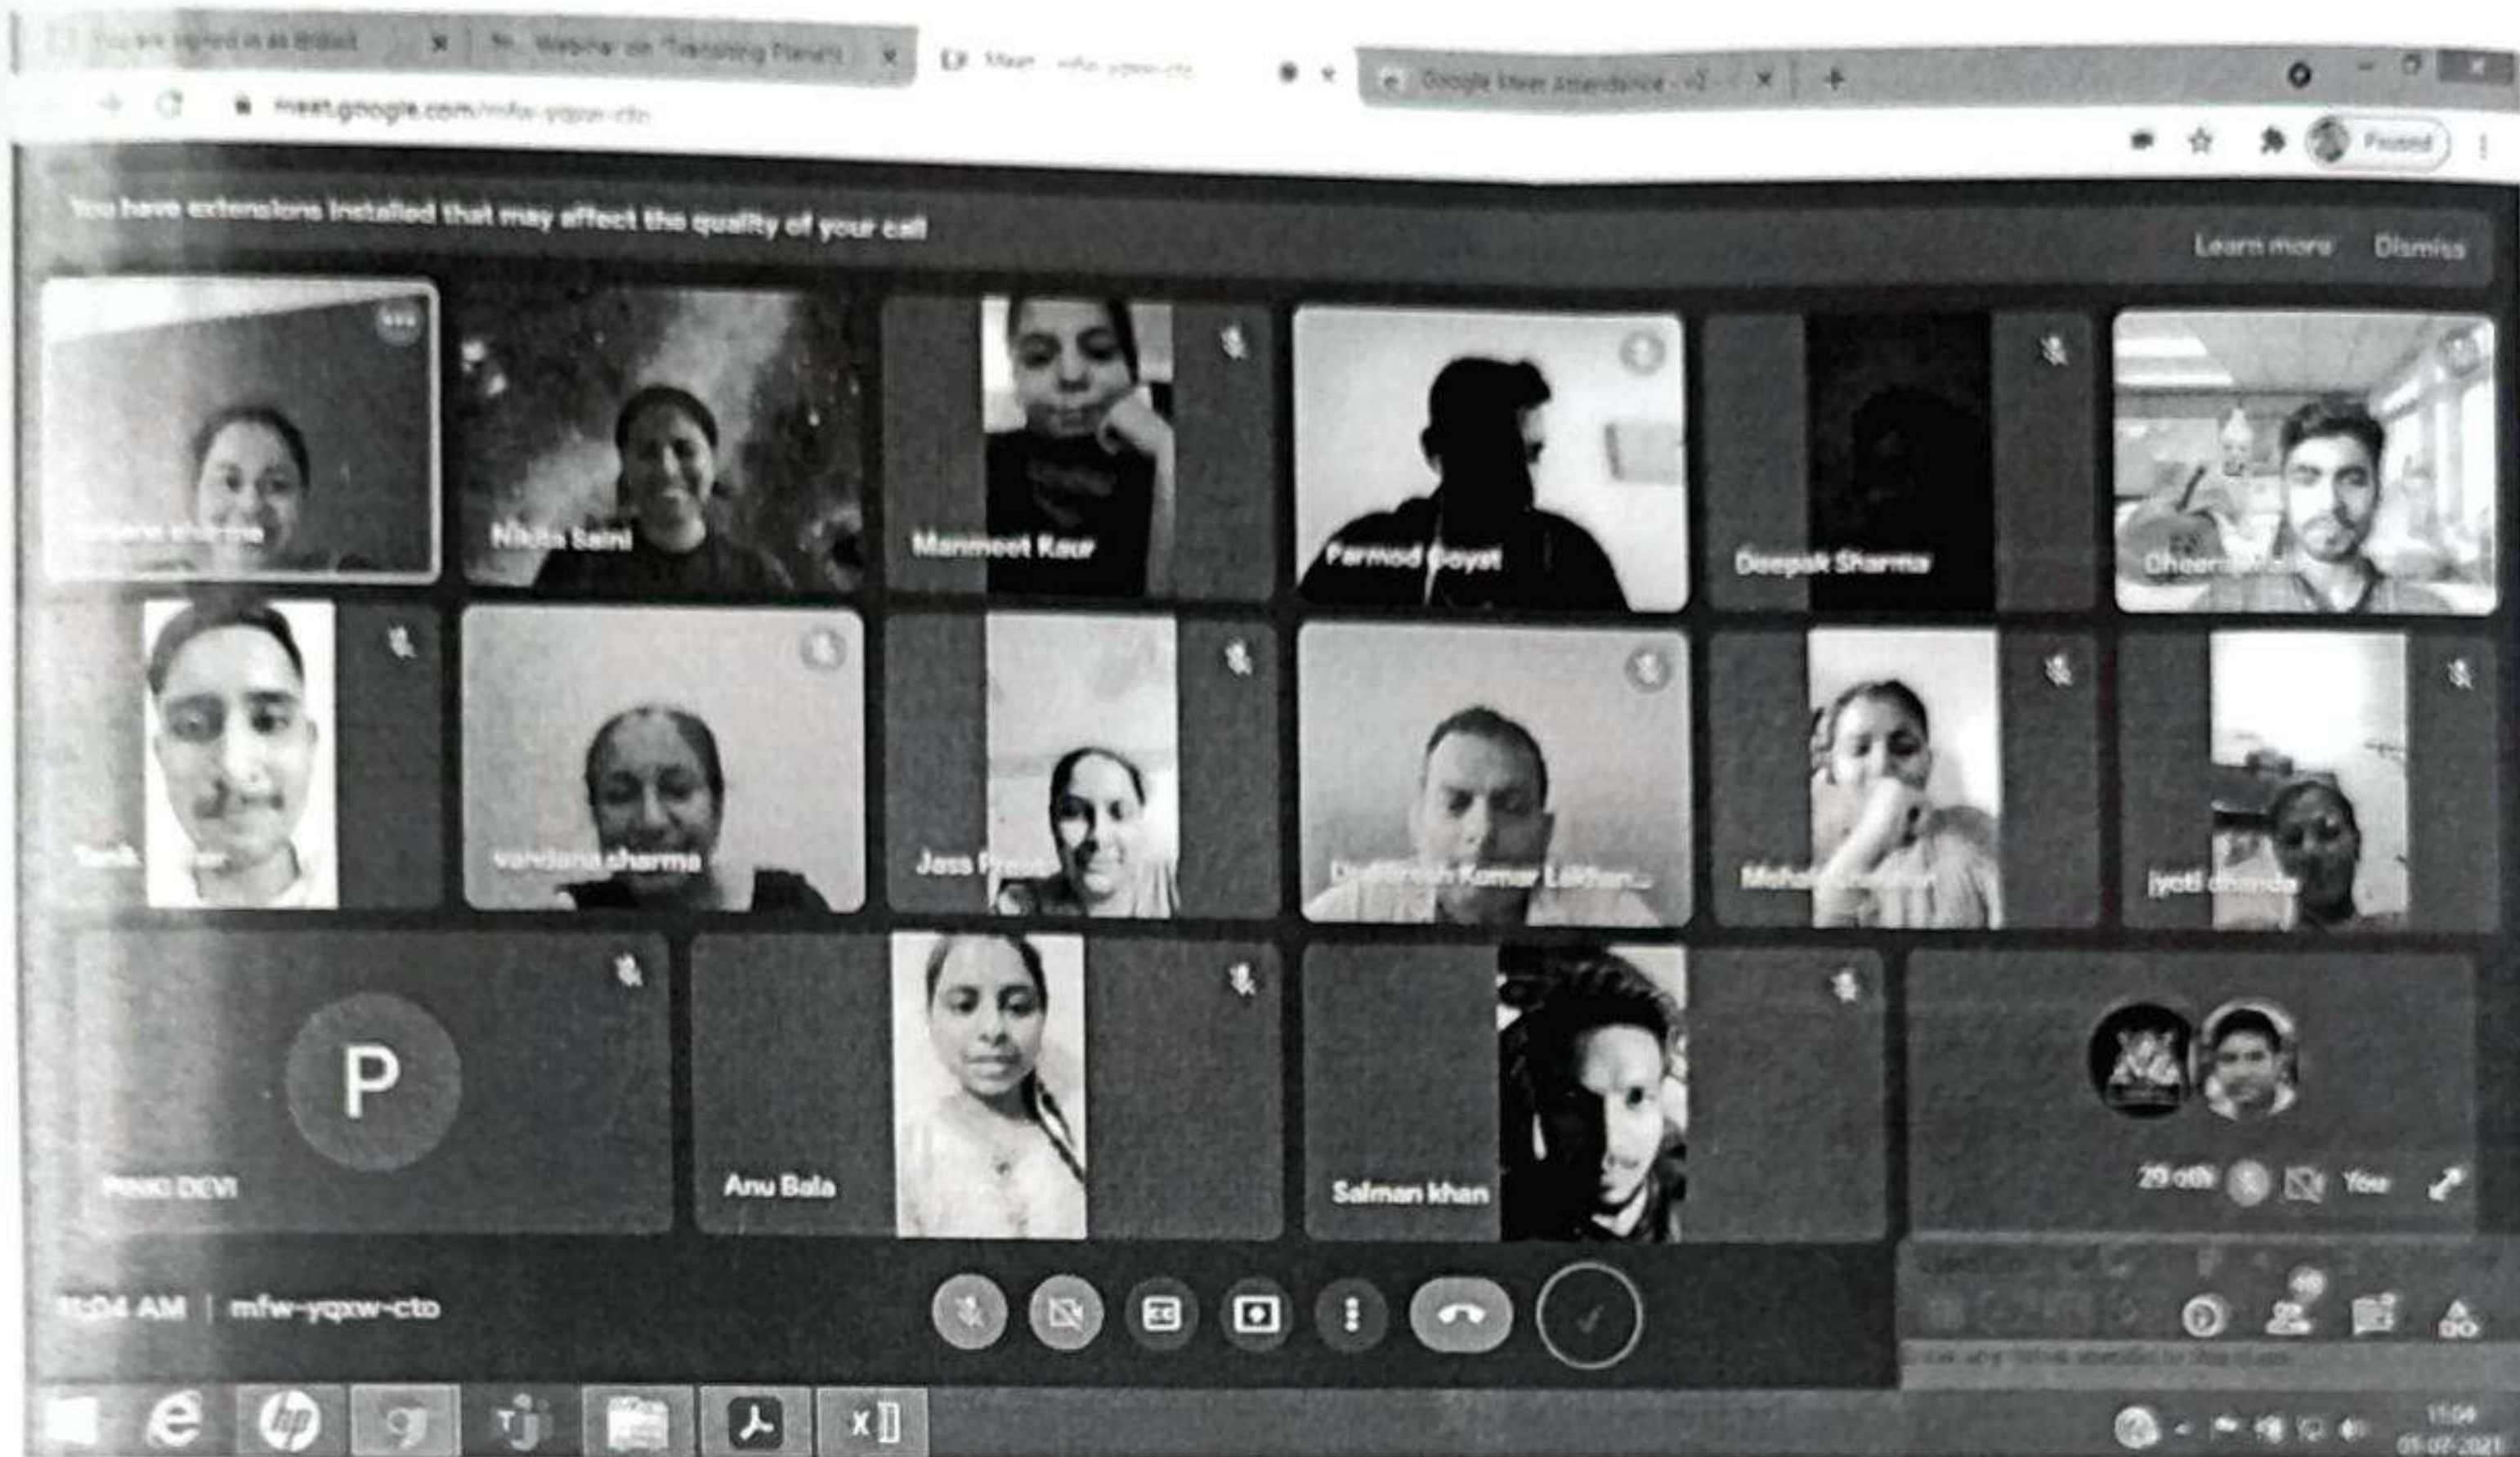

Organizer’s Name: Dr.Renu Sharma/ Dr. Ranjana Sharma

Date of Event: 1st July 2021

Venue: Google meet (online)

Picture 1: Ms Nikita while delivering the webinar”

Picture 2: Interaction between the guest , teachers and students

Details of Event

No. Of Participants : 65

Guest Lecture Topic : **“Transiting Planets around M-Dwarfs”**

Guest Name : Ms Nikita Saini

Company : Versace power Astronomy center, University Of Maine, USA

Designation : Ph.D research Scholar and Teaching Assistant

Passout Year : M.Sc Physics (2015-2017)
(If Alumni)

Event Description:

The webinar was hosted by Dr.Ranjana Sharma at physics department on google meet platform on Ist july 2021. Prof Vandana Sharma introduced Ms Nikita to the present students and shared her memories with students. Ms Nikita delivered the lecture on astronomy which is her current research area and she also guided the students on how to secure funded research positions abroad. She also motivated them to achieve their goals. Students also felt enthusiastic and eager to know about the education system in USA. 55 students and 10 faculty members attended this session. After the interaction session , the webinar was ended with a vote of thanks.

Outcome:;

1. **Students** felt motivated for the field of Astronomy and requested to introduce astrophysics related subjects in the curriculum of B.Sc and M.Sc physics courses.
2. Students got to know about the research and job prospects related to M.Sc physics and BSc physics(hons) in abroad.

Event Report

Name of the Event: Success is behind you

Organizer's Name: Dr Nadeem Sharma/Dr Jyoti sharma

Date of Event: 25 October, 2021

Venue: Online

Various competitive examinations particularly Joint CSIR-UGC NET Examination are the way to be eligible for a job and to grab the opportunity. CSIR-UGC NET will be conducted by NTA for determining the eligibility of Indian Nationals for the award of Junior Research Fellowships (JRF) and for determining eligibility for Lectureship (LS)/Assistant Professorship in certain subject areas falling under the faculty of Science & Technology. Keeping the same motif a seminar was conducted on 25.10.2021. Mr Yajvinder and Mr Ashutosh were the resource person for the webinar.

Mr Yajvinder is from M.sc Chemistry 2015-17 batch and Mr Ashutosh is from 2014-15 batch. Now Both students are doing Ph.D. in the Department of Chemistry, MMDU, Mullana. Both students have qualified CSIR NET as well as Gate Exam. These students have given a clear-cut idea about exam preparation and tips to prepare various topics for competitive exams in the chemistry field. Even these students have been told about different resources. Students have enjoyed this session and got ideas about the preparation for various competitive exams. Overall, the session was a success in imparting its motif.

Dr. Bhavna Pareek
Professor & Head,

REPORT

Peptide Chemistry as Catalyst & Biosensor

Alumni are the great career of good aspects present in a institute. Some of the our alumni are present in reputed organisation on a high profile post. One of the alumni is Mr Sanjeev Saini, Senior Research Fellow, IIT, Ropar. He has explained how students can join any research institute and how much preparation is required to qualify such types of competitive tests.

Then He told about the applications of Peptide bond as in the field of catalyst. How these bond are synthesised and what are their future prospects of peptide bond as sensors. He told that even derivatives of peptide bond containing compound, can be applied as sensors.

Further, all the students were motivated to compete different competitive national and state level exams.

All the sections of the event were concluded by Dr Bhawna, HOD, Chemistry, MMDU. To Increase the grace the event, faculty members from different departments were also present in the webinar.

Various other technical details of the session are:

Peptide bond formation

- When two amino acids are joined together by a peptide bond, the resulting molecule is called a dipeptide.
- The amino group of one amino acid reacts with the carboxyl group of another amino acid to form a peptide bond.
- The reaction is catalyzed by the enzyme peptidyl transferase.

Participants: 20 others, You

Resource Person: Mr. Krinjal, Alumni, EE Deptt., Batch 2017-21
Profile : System Engineer Trainee in TCS.

Dr. Tarun Gulati, Prof. & Head EE Department welcomed the speaker and introduced him to the students. First of all, speaker shared his success story to the students & motivated the students for placement. He shared his experience in the company with the students. He discussed the current scenario in the industry and shared the idea to join the industry in such a hard competition. Total 20 students along with 6 faculty members attended the guest lecture. The lecture was very useful for the students. At the end, Mr. Gourav Sharma, Asstt. Professor gave vote of thanks to the alumni for sharing his experiences with the students.

Date : 25-10-2021

Timings: 02:30pm onwards

Venue : Room No. 120, Block 1, MMEC, MM(DU), Mullana

Resource Person: Mr. Rajan Sudan, Alumni, EE Deptt., Batch 2007-11

Dr. Tarun Gulati, Prof. & Head EE Department welcomed the speaker and introduced him to the students. First of all, Speaker motivated the students for placement. He shared his experiences with the students of Electrical Engineering. He mentioned that in the current scenario, industry/ companies require person who have upto date knowledge as per market demand. Total 26 students along with 5 faculty members attended the guest lecture. The lecture was very interesting and impressive. At the end, Mr. Gourav Sharma, Asst. Professor gave vote of thanks to the alumni for sharing his experiences with the students.

Respected madam,

It gives me immense pleasure to connect to our top alumni of M.M College of Nursing. Hope you are doing well. It would be a great honor and pleasure for us to have you conduct a virtual webinar for our budding nurses to motivate them in their career path. As it needs to be conducted in this month, I request you to give time and date as per your feasibility.
I hope that you will definitely make your presence known. We are seeking for your kind reply.

Dear

On the behalf of M.M. College of Nursing, MM(DU), we would like to express our gratitude to you and your team for accepting our invitation as Resource Person and sharing your time and experiences with us in view of understanding the scope and opportunities for nurses in Canada in the webinar conducted in the connection of alumni series-2 "OVERSEAS CAREER SCOPE & OPPORTUNITIES " held on 7th July, 2021.

We are very thankful and pleased to have your valuable contribution which would have a significant impact on forthcoming leaders of nursing.

--

Warm Regards

Dr. (Mrs.) JYOTI SARIN

Event Report

Name of the Event: Alumni Guest Lecture

Organizer's Name: Dr. Monika

Date of Event: 21st June 2021

Venue: Online mode (Google meet)

Details of Event

No. Of Participants : 77
 Guest Lecture Topic : Balance Your Mind, Body and Soul
 Guest Name : Ms. Jasmeet Kaur
 Company : Blissful Yoginis
 Designation : Owner
 Program & : DHM
 Passout Year : 2006
 (If Alumni)

Event Description: On the occasion of International Yoga Day, MMITC&BM (Hotel Management) and Alumni Cell, MMDU organized a webinar on "Yoga and Meditation" for its faculties and students. The Yoga Guru and alumna of the Institute, Ms. Jasmeet Kaur focused on a combination of simple but powerful yoga practices and meditations that were easy to learn and incorporate into any hectic lifestyle and will surely bring balance, stability and vitality to the system. She gave dedicated time for queries of attendees related to their personal health issues and provided remedies for the same.

Outcome:

- It was helpful for the peace of mind which is essential for a stress-free existence of the participants.
- Students and faculty learned the importance of yoga for improving their mental and physical health.
- It makes the participants aware of connecting nature by practicing yoga.

NOTICE

Date: 19 Nov 2021

**MMICT & BM (HOTEL MANAGEMENT) and Alumni Cell, MMDU, Mullana- Ambala is
organizing a *COCKTAIL & MOCKTAIL MAKING WORKSHOP***

About the workshop

MMICT&BM (Hotel Management) is organizing a workshop on "Cocktail & Mocktail Making" on dated 24th November 2021, with the help of our Alumni Mr. Varun Sharma, Bar Manager, Comorin, Old World Hospitality Group, New Delhi. This workshop will be conducted for the students of BHM 7th Semester, BHM 5th Semester and BHM 3rd Semester. This workshop will help the students in getting the practical knowledge of various Mocktail/Cocktail made from alcoholic & non-alcoholic beverages. This is the most important topic of their curriculum.

Date: 24 November, 2021, Time: 2:00 PM onwards

Venue: Restaurant, MMITC&BM (HM)

Speaker: Mr. Varun Sharma, Bar Manager, Comorin, New Delhi

Profile of the Speaker

Mr. Varun Sharma, an alumnus of 2003-07, BHM batch, has started his career as a Bartender at the Lava, Hotel Taj –Chandigarh. After having 2.6 years of experience, he went to Delhi at Ricks, The Taj Mahal. From there he get promoted and transferred to Vivanta by Taj Dwarka. After that he worked as a Bar Manager at Roseate House, Delhi. Currently He is working with Old World Hospitality Groups, New Delhi. Mr. Varun Sharma have proudly represented India in the Monin Global Bartending Championship in 2012 and have won National Award of National Monin Cup on October, 2012 India. He is also awarded as Mixologist of the year 2019 India by INCA Night Life Awards.

EVENT REPORT

Name of the Event : Alumni Guest Workshop

Organizer's Name : Dr. Monika

Date of Event : 24th November 2021

Venue : MMIT&BM (Hotel Management)

Details of Event

No. of Participants : 54
Guest Workshop Topic : Cocktail & Mocktail Making
Guest Name : Mr. Varun Sharma
Company : Comorin, Old World Hospitality Group, New Delhi
Designation : Bar Manager
Program : BHM & CT
Passout Year : 2007

On 24th November 2021, MMICT&BM (Hotel Management) organized a Cocktail & Mocktail Making Workshop.

Our Alumni Mr. Varun Sharma, Bar Manager, Comorin, Old World Hospitality Group, New Delhi was invited to craft a Cocktail & Mocktail workshop session. In keeping with an existing trend to inspire young generation, mocktails are all about being innovative. Yet they are easy to replicate and attractive for beverage industry.

He engaged and motivated students for active participation in making mocktails. The students also made two mocktails, in groups, putting their newly acquired knowledge to use. After the planned demonstration, students came forward and became co-creators of Mocktails. The students were enthusiastic and created an exciting atmosphere. The event enabled a fun learning and tasting experience for all.

One day Webinar on “How to get ready for placements?”

M.M. Institute of Computer Technology & Business Management in association with Central Placement cell MM(DU), Mullana has organized a one day Webinar on “How to get ready for placements” for BCA final year students on 21.08.2021. The resource persons were Dr. Debashish Rath (Dean, Placement & Industry Alliance, MM(DU)), Mr. Jatinder Sadhana (Head, Central Placement Cell, MM(DU)) and Mr. Lakshya Sharma (Graduate Trainee at Tata consultancy services and Alumni of MMICTBM). Resource persons from placement cell discussed the placement campus procedure to be followed in MM(DU), how to prepare for aptitude test and how to clear technical rounds. Later Mr. Lakshya Sharma, Alumni of BCA shared his experience about placement drive and interviews he faced during his graduation with the students and motivates them to gear up for the placement drives. Many of the participants had raised their queries in the session and all these queries were successfully resolved by the resource persons with suitable examples. The totals of 51 participants attended the webinar.

ONLINE ALUMNI MEET

07-06-2021

Concept of Alumni evolved for needs from both ends, i.e. academicians and professionals, intending to build bridge between college life and career life so that the fresh graduates are made proactive to face the current challenges of the competitive professional world. Both end shall help in hand to each other for achieving the goal. MMIPR Student council organized an Alumni meet. The key speaker of the online Alumni meet was Dr. Arijit Debnath (PT), Alumni of MMIPR, Batch (2017-2019) presently working as Sports Physiotherapist in Table-Tennis Academy, Sonipat- Haryana. He has already done great work and still continuing the efforts to achieve extraneous results for his work. The skills acquired by him in his domain as an on-field sports physiotherapist were effectively conveyed to and the experiences were shared with the students. He told the students about how to approach sports academies to enhance the awareness among athletes, how to assess an athlete of particular sports and On-Field management in sports. He made the students aware about the importance of pre-participation evaluation of an athlete and scopes of sports physiotherapy in future. Students were very much interactive and gave very good feedback about the session. All the student of MPT (Sports Injuries) joined the session with high enthusiasm. The session was very interactive

and students gave very good feedback about the session.

Name Of The Event: Alumni talk on “Career as a researcher”

Date: July 03, 2021

Organized By: MM Institute of Physiotherapy and Rehabilitation

The key speaker of the event was Dr. Adarsh Shrivastava (PT), Alumni of MMIPR, (Batch 2017-2019), presently working as Project Associate MMMC&H, Solan (H.P). He made the students aware about the importance of a researcher and the endless opportunities in their future. Students were very much interactive and gave very good feedback about the session. 15 post graduate students were attended this session.

Guest Lecture Topic : How to be a Successful Software Engineer
Guest Name : Chiranjivee Thakur
Company : AWS Canada
Designation : Senior Software Engineer
Passout Year : 2017, B.Tech (CSE)
(H. Alumin)

Event Description:

An expert talk on How to be a Successful Software Engineer was conducted for B.Tech (CSE) 3rd year students. The main motive of this event was to encourage the students to groom themselves in order to face the challenges as a future software engineer. The speaker put the stress on the thorough understanding of basic subjects such as Data Structures, Algorithms, problem solving techniques, Database management system etc. as this helps a developer to solve and design complex real time problems. In addition, practise of latest programming approaches such as dynamic programming was also suggested by the speaker. The speaker has also shared his struggle and hard work during his early days. He advised students not to get de-motivated due to rejections or failure.

Outcome:

Many students actively participated in this informative session. Students become aware of the need of learning basic subjects. Acquaintance about latest trends and tools used in current software development will surely benefit students in their near future. Students will definitely keep themselves motivated with the success story narrated by the speaker.

Invitation Circular:

The invitation circular features the Maharishi Markandeshwar University logo on the left. The main text reads: **WEBINAR**, **HOW TO BE A SUCCESSFUL SOFTWARE ENGINEER?**, **6th September, 2021**, **11:00 AM - 12:00 PM**, **Chiranjivee Thakur**, Senior Software Engineer at AWS 2013-17 (CSE). At the bottom, it says **ALUMNI CONNECT SERIES 2.0**. A portrait of the speaker, Chiranjivee Thakur, is shown on the left side of the circular.
