Sub: Donating "A smart three phase energy meter"

Respected Sir,

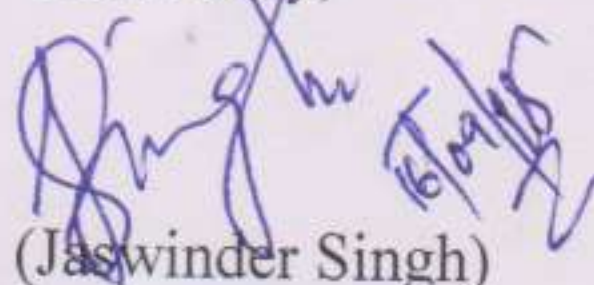

I, Jaswinder Singh, Roll No. 1100270, Alumni of Electrical Engineering Department, MMEC wants to donate "A smart three phase energy meter".

A smart meter is an electronic device that records consumption of electric energy and communicates the information to the electricity supplier for monitoring and billing. Smart meters typically record energy hourly or more frequently, and report at least daily. The cost of device is approx. Rs. 7500/-. This device helps the students for upgrading their knowledge in the field of power system.

Being alumni, it is my pleasure to do something for the institute from where I received the degree.

Thank you

Yours truly,

(Jaswinder Singh)

Dear Jaswinder,

On behalf of EE Department, MMEC, I would like to thank you for donating "A smart three phase energy meter" to the department.

The generous support of individuals like you shows love of alumni towards institute. This device will be very helpful for the students to upgrade their knowledge of latest devices used in the industries.

Thank you again for your support!

With best wishes,

(Dr. Sanjeev Aggarwal)

MECHANICAL ENGINEERING DEPARTMENT

A 3D printer installed in the memory of Guntas Malhotra (Batch 2004-08)

As a graduate student in mechanical engineering at MMEC, Guntas Malhotra (Batch 2004-08) was drawn to automotive engineering. Although Guntas died in 2014, his impact is still felt in the department through the equipment installed in his name.

After his death in car accident, his parents donated a 3D printer to benefit under graduate students of MMEC.

Dear Sir,

This is to kindly inform you that we would like to conduct interviews of your Management students for our organization, **Asian Heart Institute & Research Center, Mumbai**. Please find below the company profile with the required information.

About Asian Heart Institute, Mumbai

Our organization has been set up with an aim to provide world-class cardiac care in India. It is situated at the Bandra Kurla Complex (BKC), a mere 15-minute drive from the domestic and international airports. The hospital promises to provide quality cardiac care to patients at reasonable costs.

AHI was set up with a holistic approach to heart care based on ethics, quality care and professionals backed by competitive prices. It prides itself on quality in terms of design, patient care, medical, paramedical, general staff and infrastructure facilities. The hospital has a Patient- centered design with stress on safety and comfort of Patients. All Patient areas have been designed to minimize the risk of infection. Internationally accredited with **ISO**

9001:2000, JCI and NABH

AHI reaffirms its commitment towards world class cardiac care by being the **India's Highest Accredited Cardiac Hospital**. The hospital was started to set a benchmark in quality care, ethical practice, reasonable costs and training for those in the profession. Patients are not charged premium rates for the care they receive.

Recruitment

We are looking for prospective candidates who are enthusiastic and smart with excellent knowledge in their specialties and who are ready to take on responsibilities and they should have **preferably Graduation/Post Graduation**.

Qualifications required # MBA(Any Specialization)

***Compensation offered # 3 to 4 Lakhs (Depends on the outcome of the Interview)**

We require minimum 2yrs of commitment**Experience # Fresher****Designation # Management Trainee**

Please send a single excel sheet of the candidates containing their name, place, college name, contact no, email id, Percentage scored in 10th, 12th & Graduation, ranking in the batch and passport photograph who will appear for the interview.

Please feel free to contact the undersigned in case of any assistance required.

Thanks & Regards,
