Dr. Arpit Gupta
Senior Resident - Public Health Dentistry
Centre for Dental Education & Research
All India Institute of Medical Sciences
New Delhi.

Dear Dr. Gupta,

In order to promote quality research output dissemination among the young dental researchers, Department of Public Health Dentistry, M.M College of Dental Sciences & Research is organizing a one day program entitled "Scientific Writing & Reference Management", to be held on Monday, August 24th, 2015. It is expected that around 40 dental post graduate students/faculty members will attend to this event. I take pleasure in inviting you to deliver a lecture and conduct a hands on workshop on this topic.

Kindly confirm your program at the earliest.

Thanking you.

Regards,

PRINCIPAL

MMU MULLANA

Dear Colleagues

Greetings from the Organising Committee of Department of Anaesthesiology.

Maharishi Markandeshwar University, Mullana - Ambala was founded with the objective of upliftment of society by extending excellence in research and academics. MMU is always instrumental in conducting workshops and CME programmes. Basic Life Support (BLS) and Advanced Cardiovascular Life Support (ACLS) Course programme is a course being held at various premier institutes and this time our institute has got the opportunity to host this prestigious event.

With immense pleasure we cordially invite you to participate in the upcoming BLS and ACLS programme from September 25th -27th 2015.

AHA accredited ACLS/BLS programme is a benchmark in training medical and paramedical staff about resuscitation skills. The goal of the course is to improve the quality of care provided to the adult victim of a cardiac arrest or other cardiopulmonary emergencies.

Hands on workshops will be conducted and participants will be provided with the most recent study material on resuscitation.

After completion of the three day workshop, course completion cards will be presented by the American Heart Association (AHA) to the participants. It is an intensive program with training sessions incorporating the latest 2010 guidelines by the AHA. The course provides participants with the knowledge and skills identified by the AHA to participate in an actual resuscitation of an adult in cardiac or respiratory distress.

This course is open for faculty and students of MMIMS and those taking the USMLE test. The participants will take part in hands-on workshops with the instructors. All the participants should read the AHA study material provided to them at the time of registration and take the pretest before the course. Those participants who successfully pass the course will be given the American Heart Association's BLS/ACLS certificate, valid for two years.

Looking forward for your participation

INVITATION

Greetings from Maharishi Markandeshwar Institute of Medical sciences and Research!

The Department of Medicine, MMIMSR is organizing a CME on 16th of October 2016 , as part of an activity to update the medical fraternity regarding newer developments in the field of Medicine. This CME is intended to benefit the Practitioners, Consultants, Academicians and Postgraduates students. It is a matter of great honour for us that renowned speakers from reputed institutes would provide an update and share their valuable experiences. The CME would also give an opportunity to the postgraduate students to present their research work during the free paper presentation.

We wish to invite delegates from all the departments to have an active participation in making this CME a grand success.

We request everyone to grab this opportunity, mark the date in your calendar and spare some time from your busy schedule to update yourself with recent advances in Medicine.

Invitation

From
Organizing Chairman
Dr. N Garg
(9915025819)

We feel delighted and privileged to invite you all for the 24th Annual conference of Haryana state AOI at MMIMSR, Mullana, Ambala on 24th and 25th November 2018.

The much awaited opportunity to meet and interact with the stalwarts of ENT will be the prime attraction.

Please book the dates in your planner. We look forward to host the warm gathering of fraternity in the pleasant weather of November at Mullana.

Your presence shall be keenly awaited.

Dr. Satish Jain

He is the dynamic, eminent and the most sought after faculty.

He has a vast experience of ENT, Head & Neck and Skull base surgery and has done over 50,000 surgeries in this field.

He has been invited as a guest faculty both in National and International conferences.

It is a great pleasure that he has accepted our invitation as Chief operating officer.

Proposed Surgeries

FESS

Endo DCR

CSF Rhinorrhoea repair

Transnasal Hypophysectomy

Mastoidectomy with Tympanoplasty

Stapedotomy

Parotidectomy

Thyroidectomy

Neck Dissection

• All surgeries are subject to availability

One Day CME

“Newer Armamentarium in the Management of Diabetes”

24th August, 2019

Organized by
DEPARTMENT OF GENERAL MEDICINE
Maharishi Markandeshwar Institute of
Medical Sciences & Research

Maharishi Markandeshwar
Deemed to be University,
Mullana Ambala, Haryana
(Est. under section 3 of UGC act Govt. Act, 1956)
(Accredited by NAAC with Grade A)

CME on Newer Armamentarium in the Management of Diabetes

CME on Newer Armamentarium in the Management of Diabetes is being conducted with aim of making participants aware of management of Diabetes, complications of DM, its adverse effects on vital organs and newer advances in diabetic therapy, so as to prevent morbidity and mortality due to cardiovascular and renal diseases

About Maharishi Markandeshwar Institute of Medical Sciences & Research Mullana Ambala

MMIMSR is situated 36 km from Ambala at Mullana in Haryana state in India. It is affiliated to Maharishi Markandeshwar deemed to be University, Mullana and accredited by the Medical Council of India. The school came into existence through a Government of Haryana Legislative Act. The university imparts undergraduate (MBBS) and post graduate (MD-MS program) medical education. The campus is within the Maharishi Markandeshwar University, Mullana.

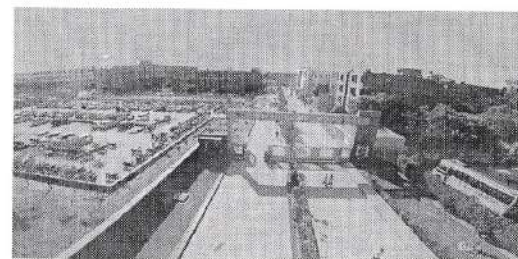

Maharishi Markandeshwar (Deemed to be University) is a leading University in North India and has become a symbol of quality education in technical, medical and other

professional streams. MM (DU) has been accredited by NAAC as Grade "A" university. Since its inception, the University is committed to excel in research, innovation and skill development. Our Industry oriented education system helps us to make our students leaders in the professional world.

The college is pioneer in the country to introduce problem based learning in Medical subjects. The college has a well equipped infrastructure.

Training for Non-Teaching Staff

The Non-Teaching Staff members of Department of Law is hereby informed that the department has planned a short training program for them. This program will be conducted on Oct.19,2019 by Dr Rohit Vaid, Assistant Professor, Department of CSE, M.M. Engineering College, Mullana and Mr Gaurav Sharma from the university ERP headquarters. They will be introducing the participants to various important aspects of the ERP management systems developed by the University.

It is for the information of the clerical, lab and Library staff that they should attend the workshop and learn about the smart ways of implementing the ERP programs in the department. They are also requested to present their works and coordination report of ERP to the resource person.

Mr Rajat will be managing the technical arrangement and Ms Gayatri Sharma shall coordinate the whole event.
