File No. 21-55-2016-NBA

Date: 28.03.2018

To,

The Principal,
M. M. College of Pharmacy,
M M University, Mullana, -133203
Near Barara, Ambala
Haryana

Subject: Accreditation status of program applied by **M. M. College of Pharmacy, MM University, Mullana, -133203 Near Barara, Ambala Haryana.**

Sir,

This has reference to your application Id No. 1952 dated 30/06/2016 seeking accreditation by National Board of Accreditation to the **UG Pharmacy** program offered by **M. M. College of Pharmacy, M M University, Mullana, -133203 Near Barara, Ambala Haryana.**

2. An Expert Team conducted an on-site evaluation of the program during **03rd- 04th February, 2018**. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the program as given in the table below:

Sl. No.	Name of the Program (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1	Pharmacy	January, 2016 Document	Provisionally Accredited	Academic Years 2018-19 to 2020-21 i.e. upto 30-06-2021	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier.

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The program has been granted provisional accreditation. **M. M. College of Pharmacy, M M University, Mullana, -133203 Near Barara, Ambala Haryana** should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible to be considered by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a revisit, as deemed appropriate by NBA Committees.

Contd../-

5. The accreditation status awarded to the program as indicated in the above table does not imply that the accreditation has been granted to **M. M. College of Pharmacy, M M University, Mullana, -133203 Near Barara, Ambala Haryana** as a whole. As such the Institute should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program and the period of validity of accreditation, as well as the date from which the accreditation is effective, should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above program is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited program as indicated in the Table in paragraph 2, appears on the website and information bulletin of your Institution.

7. The accreditation status awarded to the program as indicated in Table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

8. A copy of Report of Chairman of the Visiting Team and copy of Evaluators' report in respect of the above program are also enclosed.

9. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.

Yours faithfully,

(Dr. Anil Kumar Nassa)

Encl: As above

Observations:

The undersigned evaluated the examination process and checked the documents concerning the same. Various programmes/courses and the date of result of different courses was checked. It has been observed the followings:-

1. Evaluation of answer books:- A panel of examiners is received from Chairman/ Board of studies. It is got approved from Vice Chancellor and answer books are got evaluated from the examiners whose names are approved. Complete secrecy is maintained in the process.
2. Receipts of Question papers:- The sealed question papers are received from the paper setters by the COE and got printed from Confidential Printer located at a distance place. The question papers are kept in locker. Complete Secrecy and Security is maintained.
3. Complaints by the candidates:- Complaint committee of four members (including One Chairman) is formed every year to look into the complaints/issues concerning question papers.
4. Standing Committee:- Standing Committee of UMC comprising of Four members (Including One Chairman) is formed every year. It looks into the cases concerning UMC cases. The standing committee should comprise of one expert preferably from Law fraternity.
5. Ph.D Thesis evaluation:- Ph.D Thesis is sent to two examiners one of whom is from out of India. The thesis is evaluated within one month by the examiners and report is sent back to the University.

Suggestions/Recommendations:

- It is suggested that where more than one examiners evaluate answer sheets of the same question paper, the parity in the marks given by the different examiners needs to be checked. This can be done by checking few sample answer-sheets from the bundle of answers-sheets checked by different examiners.
- Standing Committee for UMC Cases: The standing committee should comprise of one expert preferably from Law fraternity.
- There is need to redraft the Ph.D evaluation performa.
- Delay in the declaration of Results should be avoided.
