### Maternal Fitness and Garbh Sanskar

Date: 04<sup>th</sup> March 2023

Venue: MMIPR & Department of Obstetrics and Gynaecology

An event was jointly organized about an awareness program on “**Maternal Fitness and Garbh Sanskar**” by Maharishi Markandeshwar Institute of Physiotherapy and Rehabilitation and Department of Obstetrics & Gynaecology, MMIMS&R, MM (DU) to mark **International Women's Day, 2023**. The speaker for the awareness program was **Dr. Neha Gaur, Physiotherapist and certified Fitness trainer, founder of Heal 2 Fit, Ghaziabad**. She has enlightened the beneficiaries (ante natal patients) how to educate their child in their wombs and improve their mental health. Garbh Sanskar is basically based on the concept of Abhimanyu's learning of breaking the Chakravyuh in Mahabharata when he was in his mother's womb during 5<sup>th</sup> month of pregnancy. All the beneficiaries were oriented about the same concept to restore old glory. The session was concluded in a delightful manner and was found to be useful for all the beneficiaries.

International Women's Day is celebrated in the world over, every year on the eight day of March. It celebrates womanhood and pays tribute to the indomitable spirit of women across the globe.
